[64 FR 14366, Mar. 25, 1999; 64 FR 25422, May 12, 1999, as amended at 64 FR 25423, May 12, 1999]

§ 1703.135 Application selection provisions.

(a) A combination loan and grant will be approved based on availability of funds, the financial feasibility of the project in accordance with §1703.134(d), the services to be provided which demonstrate that the project meets the general requirements of this subpart, the design of the project; costs; location; and other characteristics of the application.

(b) RUS will determine, from the information submitted with each application for a combination loan and grant, whether the application achieves sufficient priority, based on the criteria set forth in the 1996 Act, to receive a combination loan and grant from funds available for the fiscal year. If such priority is achieved, RUS will process the combination loan and grant application on a first-in, first-out basis, provided that the total amount of applications on-hand for combination loans and grants does not exceed 90 percent of the total loan and grant funding available for the fiscal year. At

such time as the total amount of applications eligible for combination loans and grants, if such applications were approved, exceeds 90 percent of amount of combination loan and grant funding available, RUS will process the remaining applications using the evaluation criteria set forth in §1703.126.

(c) RUS will not approve a combination loan and grant if RUS determines that:

(1) The applicant's proposal does not indicate financial feasibility, or will not be adequately secured in accordance with the requirements contained in §1703.134(d);

(2) The applicant's proposal indicates technical flaws, which, in the opinion of RUS, would prevent successful implementation, or operation of the project; or

(3) Any other aspect of the applicant's proposal fails to adequately address any requirements of this subpart or contains inadequacies which would, in the opinion of RUS, undermine the ability of the project to meet the general purpose of this subpart or comply with policies of the DLT program contained in §1703.101.

(d) RUS will provide the applicant with a statement of any determinations made with regard to paragraphs (c)(1) through (c)(3) of this section. The applicant will be provided 15 days from the date of RUS' letter to respond, provide clarification, or make any adjustments or corrections to the project. If, in the opinion of the Administrator, the applicant fails to adequately respond to any determinations or other findings made by the Administrator, the project will not be funded, and the applicant will be notified of this determination. If the applicant does not agree with this finding, an appeal may be filed in accordance with §1703.137.

§ 1703.136 Submission of applications.

(a) RUS will accept applications for a combination loan and grant submitted by RUS telecommunications General Field representatives (GFRs), by Rural Development State Directors, or by applicants themselves. Applications for a combination loan and grant under this subpart may be filed at any time and will be evaluated as received.

(b) Applications submitted to the State Director, Rural Development, in the State serving the headquarters of the project will be evaluated as they are submitted. All applicants must submit an original and two copies of a completed application. The applicant must also submit a copy of the application to the State government point of contact, if one has been designated for the State, at the same time it submits an application to the State Director. The State Director will:

(1) Review each application for completeness in accordance with §1703.134, and notify the applicant, within 15 working days of receiving the application, of the results of this review, acknowledging a complete application, or citing any information that is incomplete. To be considered for a combination loan and grant, the applicant must submit any additional information requested to complete the application within 15 working days of the date of the State Director's written response. If the applicant fails to submit such information, the application will be returned to the applicant.

(2) Within 30 days of the determination of a completed application in accordance with paragraph (b)(1) of this section, review the application to determine suitability for financial assistance in accordance with §1703.135, and other requirements of this subpart. Based on its review, the State Director will work with the applicant to resolve any questions or obtain any additional information. The applicant will be notified, in writing, of any additional information required to allow a financial assistance recommendation and will be provided a reasonable period of time to furnish the additional information.

(3) Based on the review in accordance with §1703.135 and other requirements of this subpart, make a preliminary determination of suitability for financial assistance. A combination loan and grant recommendation will be prepared by the State Director with concurrence of the RUS telecommunications GFR that addresses the provisions of sections §1703.134 and §1703.135 and other applicable requirements of this subpart.

(4) If the application is determined suitable for further consideration by

RUS, forward an original and one copy of the application with a financial assistance recommendation, signed jointly, to the Assistant Administrator, Telecommunications Program, Rural Utilities Service, Washington, DC. The applicant will be notified by letter of this action. Upon receipt of the application from the State Director, RUS will conduct a review of the application and the financial assistance recommendation. A final determination will be made within 15 days. If the Administrator determines that a combination loan and grant can be approved, the State Director will be notified and the State Director will notify the applicant. A combination loan and grant will be processed, approved, and serviced in accordance with §§1703.105 through 1703.112 of subpart D.

(5) If the State Director determines that the application is not suitable for further consideration by RUS, notify the applicant with the reasons for this determination. The applicant may appeal this determination pursuant to section §1703.137 of this subpart.

(c) Applications submitted by RUS telecommunications GFRs or directly by applicants will be evaluated as they are submitted. All applicants must submit an original and two copies of a completed application. The applicant must also submit a copy of the application to the State government point of contact, if one has been designated for the State, at the same time it submits an application to RUS. RUS will:

(1) Review each application for completeness in accordance with §1703.134, and notify the applicant, within 15 working days of receiving the application, of the results of this review, acknowledging a complete application, or citing any information that is incomplete. To be considered for a combination loan and grant assistance, the applicant must submit any additional information requested to complete the application within 15 working days of the date of the RUS written response. If the applicant fails to submit such information, the application will be returned to the applicant.

(2) Within 30 days of the determination of a completed application in accordance with paragraph (c)(1) of this

§ 1703.137

section, review the application to determine suitability for financial assistance in accordance with §1703.135, and other requirements of this subpart. Based on its review, RUS will work with the applicant to resolve any questions or obtain any additional information. The applicant will be notified, in writing, of any additional information required to allow a financial assistance recommendation and will be provided a reasonable period of time to furnish the additional information.

(3) If the application is determined suitable for further consideration by RUS, conduct a review of the application and financial assistance recommendation. A final determination will be made within 15 days. If the Administrator determines that a combination loan and grant can be approved, the applicant will be notified. A combination loan and grant will be processed, approved, and serviced in accordance with §§1703.105 through 1703.112 of subpart D.

(4) If RUS determines that the application is not suitable for further consideration, notify the applicant with the reasons for this determination. The applicant will be able to appeal in accordance with §1703.137 of this subpart.

§ 1703.137 Appeals.
