**§ 1951.915 [Reserved]**

**§ 1951.916 Exception authority.**

(a) *Administrator.* The Administrator or delegate may, in individual cases, make an exception to any requirement or provision of this subpart or address any omission of this subpart which is not inconsistent with the authorizing statute or other applicable law if the Administrator determines that the Government's interest would be adversely affected. The Administrator will exercise this authority upon request of the State Director with recommendation of the appropriate Program Assistant Administrator, or upon request initiated by the appropriate Program Assistant Administrator. In certain situations such as a natural disaster, the Administrator may delegate this authority to specific State Director positions in certain states. In such cases, the State Director will exercise the delegation of authority upon the request of the County Supervisor with the recommendation of the District Director, rather than the appro-

priate Program Assistant Administrator. Requests for exceptions must be made in writing and supported with documentation to explain the adverse effect, propose alternative courses of action, and show how the adverse effect will be eliminated or minimized if the exception is granted.

(b) *State Director.* The State Director may, in individual cases of extraordinary circumstances, make an exception to the requirement that attachments 2 or 4 of exhibit A of this subpart, as appropriate, must be completed and returned to the FmHA or its successor agency under Public Law 103-354 County Office with the appropriate forms and documents for a complete application within 60 days after receiving attachments 1 and 2 or 3 and 4 of exhibit A of this subpart. If the borrower requests additional time to submit a complete application or submits a complete application after the deadline, the County Supervisor must ask the borrower why the additional time is or was needed. The County Supervisor must ask the borrower whether there are extraordinary circumstances like serious medical illness, severe adverse weather, or a family emergency, and explain that only the State Director can authorize an extension of time for extraordinary circumstances. In such cases, the County Supervisor must document the situation in the case file and immediately submit the request with his or her recommendation on whether the State Director should grant an exception for an extension of time. The request should describe the circumstances in accordance with the examples of extraordinary circumstances mentioned above and recommend an estimate of the additional time needed. Normally, such an extension of time should not exceed 30 days.
