§ 1955.55 Taking abandoned real or chattel property into custody and related actions.

(a) *Determination of abandonment.* (Multiple housing type loans will be handled in accordance with §1965.75 of Subpart B of Part 1965 of this chapter.) When it appears a borrower has abandoned security property, the servicing official shall make a diligent attempt to locate the borrower to determine what the borrower's intentions are concerning the property. This includes making inquiries of neighbors, checking with the Postal Service, utility companies, employer(s), if known, and schools, if the borrower has children, to see if the borrower's whereabouts can be determined and an address obtained. A State supplement may be issued if necessary to further define "abandonment" based on State law. If the borrower is not occupying or is not in possession of the property but has it listed for sale with a real estate broker or has made other arrangements for its care or sale, it will not be considered abandoned so long as it is adequately secured and maintained. Except for borrowers with Farmers Program loans, if the borrower has made no effort to sell the property and can be located, an opportunity to voluntarily convey the property to the Government will be offered the borrower in accordance with §1955.10 of Subpart A of this part. In farmer program cases, borrowers must receive Attachments 1 and 2 of Exhibit A of Subpart S of Part 1951 of this chapter and any appeal must be concluded before any adverse action can be taken. The County Supervisor

(1) For loans to individuals (except those with Farmer Program loans), if there are no prior liens, or if a prior lienholder will not take the measures necessary to protect the property, the County Supervisor shall take custody of the property, and a problem case report will be prepared recommending foreclosure in accordance with §1955.15 of Subpart A of this part, unless the borrower can be located and voluntary liquidation accomplished. Farmer Program loan borrowers will be sent the forms listed in paragraph (a) of this section and the provisions of §1965.26 of Subpart A of Part 1965 of this chapter will be followed.

(2) For MFH loans, if there are no prior liens, the District Director will immediately notify the State Director, who will request guidance from OGC and may also request advice from the National Office. The State Director, with the advice of OGC, will advise the borrower by writing a letter, certified mail, return receipt requested, at the address currently used by Finance Office, outlining proposed actions by FmHA or its successor agency under Public Law 103-354 to secure, maintain, and operate the project.

(i) If the unpaid loan balance plus recoverable costs do not exceed the State Director's loan approval authority, the State Director will authorize the District Director to take custody of the property, make emergency repairs if necessary to protect the Government's interest, and will advise how the property is to be managed in accordance with Subpart C of Part 1930 of this chapter.
