

§§ 1955.58–1955.59

(2) Tanks used for storing heating oil for consumptive use on the premises where stored;

(3) Septic tanks;

(4) Pipeline facilities (including gathering lines) regulated under: (i) The Natural Gas Pipeline Safety Act of 1968; (ii) the Hazardous Liquid Pipeline Safety Act of 1979; or (iii) for an intra-state pipeline facility, regulated under State laws comparable to the provisions of law referred to in (b)(4) (i) or (ii) of this section;

(5) Surface impoundments, pits, ponds, or lagoons;

(6) Storm water or wastewater collection systems;

(7) Flow-through process tanks;

(8) Liquid traps or associated gathering lines directly related to oil or gas production and gathering operations; or

(9) Storage tanks situated in an underground area (such as a basement, cellar, mineworking, drift, shaft, or tunnel) if the tank is situated upon or above the surface of the floor.

(c) A copy of each report filed with the designated State agency will be forwarded to and maintained in the State Office by program area.

(d) Prospective purchasers of FmHA or its successor agency under Public Law 103-354 inventory property with a reportable underground storage tank will be informed of the reporting requirement, and provided a copy of the form filed by FmHA or its successor agency under Public Law 103-354.

(e) In a State which has promulgated additional underground storage tank reporting requirements, FmHA or its successor agency under Public Law 103-354 will comply with such requirements and a State supplement will be issued to provide necessary guidance.

(f) Regardless of whether an underground storage tank must be reported under the requirements of this section, if FmHA or its successor agency under Public Law 103-354 personnel detect or believe there has been a release of petroleum or other regulated substance from an underground storage tank on an inventory property, the incident will be reported to the appropriate State Agency, the State Environmental Coordinator and appropriate program chief. These parties will col-

lectively inform the servicing official of the appropriate response action.

§§ 1955.58–1955.59 [Reserved]

§ 1955.60 Inventory property subject to redemption by the borrower.

If inventory property is subject to redemption rights, the State Director, with prior approval of OGC, will issue a State Supplement giving guidance concerning the former borrower's rights, whether or not the property may be leased or sold by the Government, payment of taxes, maintenance, and any other items OGC deems necessary to comply with State laws. Routine care and maintenance will be provided according to §1955.64 of this subpart to preserve and protect the property. Repairs are limited to those essential to prevent further deterioration of the property or to remove a health or safety hazard to the community in accordance with §1955.64(a) of this subpart unless State law permits full recovery of cost of repairs in which case usual policy on repairs is applicable. If the former borrower with redemption rights has possession of the property or has a right to lease proceeds, FmHA or its successor agency under Public Law 103-354 will not rent the property until the redemption period has expired unless the State Director obtains prior authorization from OGC. Further guidance on sale subject to redemption rights is set forth in §1955.138 of Subpart C of this part.

[54 FR 20522, May 12, 1989]

§ 1955.61 Eviction of persons occupying inventory real property or dispossession of persons in possession of chattel property.

Advice and assistance will be obtained from OGC where eviction from realty or dispossession of chattel property is necessary. Where OGC has given written authorization, eviction may be effected through State courts rather than Federal courts when the former borrower is involved, or through local courts instead of Federal/State courts when the party occupying/possessing the FmHA or its successor agency under Public Law 103-354 property is not the former borrower. In those cases, a State Supplement will be
