§ 1980.489 [Reserved]**§ 1980.490 Business and industry buydown loans.**

(a) *Introduction.* This section contains regulations for the Business and Industry Buydown (BIB) loan program. The purpose of this program is to provide loan guarantees with reduced interest rates to the borrowers, under the authority of Public Law 103-50 (107 Stat. 241). All provisions of Subparts A and E of this part apply to BIB loans except as provided in this section. All forms used in connection with a BIB loan will be those used with other B&I loans, except as provided in this section.

(b) *Location of applicants.* Businesses eligible for BIB loans shall be located within the area covered by the Presidential disaster declaration related to Hurricanes Andrew or Iniki or Typhoon Omar.

(c) *Interest rate.* (1) If the interest rate charged by the lender (note rate) on a BIB loan is a variable rate in accordance with § 1980.423 of this subpart, the base rate must be the prime rate as published in the Wall Street Journal and the note rate must not exceed the prime rate as published in the Wall Street Journal by more than 100 basis points. If the note rate is fixed, it must not exceed by more than 100 basis points the prime rate as published in the Wall Street Journal on the day the Loan Note Guarantee is issued.

(2) The note rate for a BIB loan must be the same for the entire loan, including both the guaranteed and unguaranteed portion.

(d) *Interest rate buydown.* (1) To be eligible for a BIB loan, the business must provide evidence and the lender and FmHA or its successor agency under Public Law 103-354 must determine that, at least for the first year of the loan, the business will not have adequate cash flow to meet all of its financial obligations including the required payments on the proposed loan at the note rate, but that it can meet all obligations if the interest rate is reduced by 100 basis points.

(2) During the first year after a Loan Note Guarantee is issued for a BIB loan, FmHA or its successor agency under Public Law 103-354 will pay one percentage point of interest on the loan directly to the lender, thereby reducing the interest due from the borrower by this amount. This interest payment shall be applied to both the guaranteed and unguaranteed portion of the loan pro rata according to FmHA or its successor agency under Public Law 103-354 regulations.

(3) Interest payments by FmHA or its successor agency under Public Law 103-354 may continue in subsequent years if the borrower's cash flow is insufficient to pay all obligations including the required payments on the proposed loan at the note rate. On or about each yearly anniversary of the promissory note the lender may submit a request to FmHA or its successor agency under Public Law 103-354 for continued interest payments, along with current profit and loss and cash flow statements and cash flow projections to show that the continued payments are needed for another year. FmHA or its successor agency under Public Law 103-354 will promptly review the material submitted, determine whether the continued interest payments by FmHA or its successor agency under Public Law 103-354 are needed to provide for sufficient cash flow in the coming year, and notify the lender in writing of the determination. Once interest payments by FmHA or its successor agency under Public Law 103-354 are terminated because the borrower's cash flow is determined to be sufficient to pay the note rate, such payments will not be made in subsequent years even if the cash flow decreases.

(4) This section does not authorize interest payments by FmHA or its successor agency under Public Law 103-354 on B&I loans other than those approved under this section. To be eligible for interest payments by FmHA or its successor agency under Public Law 103-354, the loan must be designated as a BIB loan when approved and funded from funds authorized by Public Law 103-50.

(e) *Duration of BIB loan program.* No BIB loan will be obligated after September 30, 1994.
