### § 226.7 State agency responsibilities for financial management.

(a) This section prescribes standards of financial management systems in administering Program funds by the State agency and institutions.

(b) Each State agency shall maintain an acceptable financial management system, adhere to financial management standards and otherwise carry out financial management policies as delineated in the Uniform Federal Assistance Regulations, at 7 CFR part 3015. State agencies or FNSRO's, where applicable, shall also have a system in place for monitoring and reviewing the institutions' documentation of their nonprofit status to ensure that all Program reimbursement funds are used: (1) Solely for the conduct of the food service operation; or (2) to improve such food service operations, principally for the benefit of the participants.

(c) *Management evaluations and audits.* State agencies shall provide FNS with full opportunity to conduct management evaluations (including visits to institutions and facilities) of all operations of the State agency under the Program and shall provide OIG with full opportunity to conduct audits (including visits to institutions and facilities) of all operations of the State agency under the Program. Within 60 calendar days of receipt of each management evaluation report, the State agency shall submit to FNSRO a written plan for correcting serious deficiencies, including specific timeframes for accomplishing corrective actions and initiating follow-up efforts. If a State agency makes a showing of good cause, however, FNS may allow more than 60 days in which to submit a plan. Each State agency shall make available its records, including records of the receipt and expenditure of funds, upon request by FNS or OIG. OIG shall

also have the right to make audits of the records and operation of any institution.

(d) *Reports.* Each State agency shall submit to FNS the final Report of the Child and Adult Care Food Program (FNS 44) for each month which shall be limited to claims submitted in accordance with § 226.10(e) and which shall be postmarked and/or submitted no later than 90 days following the last day of the month covered by the report. States shall not receive Program funds for any month for which the final report is not submitted within this time limit unless FNS grants an exception. Upward adjustments to a State agency's report shall not be made after 90 days from the month covered by the report unless authorized by FNS. Downward adjustments shall always be made, without FNS authorization, regardless of when it is determined that such adjustments are necessary. Adjustments shall be reported to FNS in accordance with procedures established by FNS. Each State agency shall also submit to FNS a quarterly Financial Status Report (SF-269) on the use of Program funds. Such reports shall be postmarked and/or submitted no later than 30 days after the end of each fiscal year quarter. Obligations shall be reported only for the fiscal year in which they occur. A final Financial Status Report for each fiscal year shall be postmarked and/or submitted to FNS within 120 days after the end of the fiscal year. FNS shall not be responsible for reimbursing unpaid Program obligations reported later than 120 days after the close of the fiscal year in which they were incurred.

(e) *Annual plan.* Each State shall submit to the Secretary for approval by August 15 of each year an annual plan for the use of State administrative expense funds, including a staff formula for State personnel.

(f) *Rate assignment.* Each State agency shall require institutions (other than sponsoring organizations for day care homes) to submit, not less frequently than annually, information necessary to assign rates of reimbursement as outlined in § 226.9.

(g) *Administrative budget approval.* The State agency shall approve institution administrative budgets, and shall limit

## 7 CFR Ch. II (1-1-01 Edition)

allowable administrative costs claimed by each sponsoring organization for day care homes to administrative costs approved in its annual budget. The State agency may establish such administrative costs limits for other institutions. Administrative budget levels may be adjusted to reflect changes in Program activities.

(h) *Start-up and expansion payments.* Each State agency shall establish procedures for evaluating requests for start-up and expansion payments, issuing these payments to eligible sponsoring organizations, and monitoring the use of these payments.

(i) *Advance payments.* Each State agency shall establish procedures for issuing advance payments by the first day of each month and comparing these payments with earned reimbursement on a monthly basis. The State agency shall maintain on file a statement of the State's law and policy governing the use of interest earned on advanced funds by sponsors, institutions, child care facilities and adult day care facilities.

(j) *Recovery of overpayments.* Each State agency shall establish procedures to recover outstanding start-up, expansion and advance payments from institutions which, in the opinion of the State agency, will not be able to earn these payments.

(k) *Claims processing.* Each State agency shall establish procedures for institutions to properly submit claims for reimbursement. All valid claims shall be paid within 45 calendar days of receipt. Within 15 calendar days of receipt of any incomplete or incorrect claim which must be revised for payment, the State agency shall notify the institution as to why and how such claim must be revised. If the State agency disallows partial or full payment for a claim for reimbursement, it shall notify the institution which submitted the claim of its right to appeal under §226.6(k). State agencies may permit disallowances to be appealed separately from claims for reimbursement.

(l) *Participation controls.* The State agency may establish control procedures to ensure that payment is not made for meals served to participants attending in excess of the authorized

capacity of each independent center, adult day care facility or child care facility.

(m) *Financial management system.* Each State agency shall establish a financial management system in accordance with the Uniform Federal Assistance Regulations, 7 CFR part 3015, and FNS guidance to identify allowable Program costs and establish standards for institutional recordkeeping and reporting. These standards shall (1) prohibit claiming reimbursement for meals provided by a participant's family, except as authorized by §226.18(e) and (2) allow the cost of meals served to adults who perform necessary food service labor under the Program, except in day care homes. The State agency shall provide guidance on financial management requirements to each institution.
