§ 245.3 Eligibility standards and criteria.

(a) Each State agency, or FNSRO where applicable, shall by July 1 of each year announce family-size income standards to be used by School Food Authorities of schools under the jurisdiction of such State agency, or FNSRO where applicable, in making eligibility determinations for free or reduced price meals and for free milk. Such family size income standards for free and reduced price meals and for free milk shall be in accordance with Income Eligibility Guidelines published by the Department by notice in the FEDERAL REGISTER.

(b) Each School Food Authority shall establish eligibility criteria for free and reduced price meals and for free milk in conformity with the family-size income standards prescribed by the State agency, or FNSRO where applicable, under paragraph (a) of this section. Such criteria shall:

(1) For all schools under the jurisdiction of the School Food Authority, specify the uniform family-size income criteria to be used for determining eligibility for free and reduced price meals in schools participating in the National School Lunch or School Breakfast Programs and in commodity-only schools, and for determining eligibility for free milk when the School Food Authority has chosen to serve free milk in its schools participating in the Special Milk Program; and

(2) Provide that all children from a family meeting family-size income criteria and attending any school under the jurisdiction of the School Food Authority which participates under the National School Lunch Program, School Breakfast Program, Special Milk Program, or is a commodity only school shall be provided the same benefits. The School Food Authority's eligibility criteria shall be a part of the pol-

icy statement required under § 245.10 and shall be publicly announced in accordance with the provisions of § 245.5.

(c) Each School Food Authority shall serve free and reduced price meals or free milk in the respective programs to children eligible under its eligibility criteria. When a child is not a member of a family as defined in § 245.2(b), the child shall be considered a family of one. In any school which participates in more than one of the child nutrition programs, eligibility shall be applied uniformly so that eligible children receive the same benefits in each program. If a child transfers from one school to another school under the jurisdiction of the same School Food Authority, his eligibility for free or reduced price meals or for free milk, if previously established, shall be transferred to, and honored by, the receiving school if it participates in the National School Lunch Program, School Breakfast Program, Special Milk Program and the School Food Authority has elected to provide free milk, or is a commodity-only school.
