

(c) The offset will be effected 31 days after the debtor receives a Notice of Intent to Collect by Administrative Offset, or when a stay of offset expires, unless the agency determines under § 3.26 that immediate action is necessary. If the debtor owes more than one debt, amounts recovered through administrative offset may be applied to them in any order, with attention to applicable statutes of limitation.

(d) These procedures will be used to collect any debt subject to 31 U.S.C. 3716, including contract debts, but not including intracontractual claims or intracontractual disputes. A contracting officer administering a claim under the Contract Disputes Act (CDA), 41 U.S.C. 601-613 must promptly refer the claim to the agency debt management officer for consideration of administrative offset apart from CDA proceedings.

(e) An agency debt management officer will determine the prima facie existence of the debt, the feasibility of administrative offset as a means of collection and what monies, if any, are payable or may become payable to the debtor. No agency employee may act as debt management officer for the consideration of collection by administrative offset in a matter for which the employee was a contracting officer.

(f) An agency reviewing officer will afford debtors review of the issue of administrative offset under these rules. No agency employee may act as a reviewing officer for the consideration of collection by administrative offset in a matter for which the employee was a contracting officer or a debt management officer.

§ 3.24 Coordinating administrative offset with other Federal agencies.

(a) A Government list or other notice, naming debtors and their creditor agencies, which is provided to USDA will constitute a request for administrative offset.

(b) Any agency which requests another agency to effect administrative offset must certify that the debtor owes the debt (including the amount and basis of the debt and the due date of the payment) and that all of the ap-

plicable requirements of 31 U.S.C. 3716 and 4 CFR part 102 have been met.

(c) An agency which is requested by another agency to effect administrative offset must not do so without obtaining a written certification that the debtor owes the creditor agency a debt (including the amount and basis of the debt and the due date of the payment) and that all of the applicable requirements of 31 U.S.C. 3716 and 4 CFR part 102 have been met. An offsetting USDA agency may rely on the information contained in a requesting creditor agency's certification.

(d) Only a creditor agency may agree to an installment repayment system or compromise, suspension or termination of the collection process.

(e) A USDA agency which is requested by another agency to effect administrative offset may decline for good cause. Good cause includes direct or indirect disruption of the offsetting agency's essential program operations that might result from the offset. The refusal and the reasons must be sent in writing to the creditor agency.

§ 3.25 Notice requirements before offset.

(a) Before an agency effects administrative offset, the creditor agency must provide the debtor with a minimum of 30 calendar days' written notice that unpaid debt amounts will be collected by administrative offset against any money that the United States is going to pay to the debtor, unless the creditor agency determines immediate action is necessary under § 3.26, or the debtor enters into a repayment agreement or requests review.

(b) The Notice of Intent to Collect by Administrative Offset must be served on the debtor by personal delivery, first class mail, or certified mail and will state:

(1) The amount of the debt, the date it was incurred, the name and address of the offsetting agency, and the program under which the debt was incurred.

(2) The rate of interest accrued from the date of mailing or other delivery of the initial demand letter, and the amount of any other penalties or administrative costs added to the principal debt.
