

§ 301.52-2

7 CFR Ch. III (1-1-01 Edition)

by the Deputy Administrator to enforce the provisions of the quarantine and regulations in this subpart.

(g) *Interstate*. From any State, territory, or district of the United States into or through any other State, territory, or district of the United States (including Puerto Rico).

(h) *Limited permit*. A document issued or authorized to be issued by an inspector to allow the interstate movement of noncertified regulated articles to a specified destination for limited handling, utilization, or processing or for treatment.

(i) *Moved (movement, move)*. Shipped, offered for shipment to a common carrier, received for transportation or transported by a common carrier, or carried, transported, moved, or allowed to be moved by any means. "Movement" and "move" shall be construed accordingly.

(j) *Person*. Any individual, corporation, company, society, or association, or other organized group of any of the foregoing.

(k) *Pink bollworm*. The live insect known as the pink bollworm of cotton (*Pectinophora gossypiella* Saund.), in any stage of development.

(l) *Regulated area*. Any quarantined State, territory, or district, or any portion thereof, listed as a regulated area in §301.52-2a by the Deputy Administrator in accordance with §301.52-2(a).

(m) *Regulated articles*. Any articles described in §301.52(b).

(n) *Restricted destination permit*. A document issued or authorized to be issued by an inspector to allow the interstate movement of regulated articles not certified under all applicable Federal domestic plant quarantines to a specified destination for other than scientific purposes.

(o) *Scientific permit*. A document issued by the Deputy Administrator to allow the interstate movement to a specified destination of regulated articles for scientific purposes.

(p) *Suppressive area*. That part of a regulated area where eradication of infestation is undertaken as an objective, as designated by the Deputy Administrator under §301.52-2(a).

(q) *Treatment manual*. The provisions currently contained in the "Plant Protection and Quarantine Treatment

Manual" and any amendments thereto.²

§ 301.52-2 Authorization for Deputy Administrator to list regulated areas and suppressive or generally infested areas.

The Deputy Administrator shall publish and amend from time to time as the facts warrant, the following lists:

(a) *List of regulated areas and suppressive or generally infested areas*. The Deputy Administrator shall list as regulated areas in a supplemental regulation designated as §301.52-2a, the quarantined States, territories, or districts, or portions thereof, in which pink bollworm has been found or in which there is reason to believe that pink bollworm is present, or which it is deemed necessary to regulate because of their proximity to infestation or their inseparability for quarantine enforcement purposes from infested localities. The Deputy Administrator, in the supplemental regulation, may divide any regulated area into a suppressive area and a generally infested area in accordance with the definitions thereof in §301.52-1. Less than an entire quarantined State, territory, or district will be designated as a regulated area only if the Deputy Administrator is of the opinion that:

(1) The State, territory, or district has adopted and is enforcing a quarantine or regulations which imposes restrictions on the intrastate movement of the regulated articles which are substantially the same as those which are imposed with respect to the interstate movement of such articles under this subpart; and

(2) The designation of less than the entire State, territory, or district, as a

§ 301.52-3 Conditions governing the interstate movement of regulated articles from quarantined States.³

Any regulated articles may be moved interstate from any quarantined State under the following conditions:

(a) From any regulated area, with certificate or permit issued and attached in accordance with §§ 301.52-4 and 301.52-7 if moved:

(1) From any regulated area into or through any point outside of the regulated areas; or

(2) From any generally infested area into or through any suppressive area; or

(3) Between any noncontiguous suppressive areas; or

(4) Between contiguous suppressive areas when it is determined by the inspector that the regulated articles present a hazard of the spread of the pink bollworm and the person in possession thereof has been so notified; or

(b) From any regulated area, without certificate or permit if moved:

(1) From a generally infested area to a contiguous generally infested area; or

(2) From a suppressive area to a contiguous generally infested area; or

(3) Between contiguous suppressive areas unless the person in possession of the articles has been notified by an inspector that a hazard of spread of the pink bollworm exists; or

(4) Through or reshipped from any regulated area if the articles originated outside of any regulated area and if the point of origin of the articles is clearly indicated, their identity has been maintained and they have been safeguarded against infestation while in the regulated area in a manner satisfactory to the inspector; or

(c) From any area outside the regulated areas, without a certificate or permit if the point of origin of such movement is clearly indicated on the articles or shipping document which accompanies the articles and if the movement is not made through any regulated area.
