§ 3017.413 Suspending official's decision.

The suspending official may modify or terminate the suspension (for example, see § 3017.320(c) for reasons for reducing the period or scope of debarment) or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any other agency or debarment by any agency. The decision shall be rendered in accordance with the following provisions:

(a) *No additional proceedings necessary.* In actions: based on an indictment, conviction, or civil judgment; in which there is no genuine dispute over material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

(1) In USDA, the suspending official shall terminate the suspension immediately when additional proceedings to determine disputed facts have been denied on the basis of DOJ advice. The agency, however, reserves the right to proceed with the suspension when DOJ completes its legal proceedings or is satisfied that the suspension no longer will prejudice DOJ's proceedings.

(2) In USDA suspension actions, where the respondent(s) fail(s) to timely provide any submission in opposi-

tion, the action will be considered decided.

(b) *Additional proceedings necessary.*

(1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary or capricious or clearly erroneous.

(c) *Notice of suspending official's decision.* Prompt written notice of the suspending official's decision shall be sent to the respondent.

(1) In USDA, the notice to the respondent shall be signed by the suspending official and transmitted by certified mail, return receipt requested. OGC will be consulted on all proposed suspension actions prior to the notice being sent to the respondent. The notice shall include the following:

(i) Reference to the previously issued notice of suspension;

(ii) The reason(s) for the action taken in this notice.

(iii) The effective date(s) of the suspension taken in this notice and, where appropriate, the period of the suspension;

(iv) Advice that the suspension is effective for covered transactions throughout the executive branch of the Federal Government unless an agency head or a designee authorized by an agency head makes a determination referred to in § 3017.215.

(b) [Reserved]
