

**§ 4279.144 Appraisals.**

Lenders will be responsible for ensuring that appraisal values adequately reflect the actual value of the collateral. All real property appraisals associated with Agency guaranteed loanmaking and servicing transactions will meet the requirements contained in the Financial Institutions Reform, Recovery and Enforcement Act (FIRREA) of 1989 and the appropriate guidelines contained in Standards 1 and 2 of the Uniform Standards of Professional Appraisal Practices (USPAP). All appraisals will include consideration of the potential effects from a release of hazardous substances or petroleum products or other environmental hazards on the market value of the collateral. For additional guidance and information concerning the completion of real property appraisals, refer to subpart A of part 1922 of this title and to "Standard Practices for Environmental Site Assessments: Transaction Screen Questionnaire" and "Phase I Environmental Site Assessment," both published by the American Society of Testing and Materials. Chattels will be evaluated in accordance with normal banking practices and generally accepted methods of determining value.

**§§ 4279.145–4279.148 [Reserved]****§ 4279.149 Personal and corporate guarantees.**

(a) Personal and corporate guarantees, when obtained, are part of the collateral for the loan. However, the value of such guarantee is not considered in determining whether a loan is adequately secured for loanmaking purposes.

(b) Personal and corporate guarantees for those owning greater than 20 percent of the borrower will be required where legally permissible, except as provided for in this section. Guarantees of parent, subsidiaries, or affiliated companies and secured guarantees may also be required.

(c) Exceptions to the requirements for personal guarantees must be requested by the lender and concurred in by the Agency approval official on a case-by-case basis. The lender must document that collateral, equity, cash flow, and profitability indicate an

above average ability to repay the loan.

**§ 4279.150 Feasibility studies.**

A feasibility study by a qualified independent consultant may be required by the Agency for start-up businesses or existing businesses when the project will significantly affect the borrower's operations. An acceptable feasibility study should include, but not be limited to, economic, market, technical, financial, and management feasibility.

**§§ 4279.151–4279.154 [Reserved]****§ 4279.155 Loan priorities.**

Applications and preapplications received by the Agency will be considered in the order received; however, for the purpose of assigning priorities as described in paragraph (b) of this section, the Agency will compare an application to other pending applications.

(a) When applications on hand otherwise have equal priority, applications for loans from qualified veterans will have preference.

(b) Priorities will be assigned by the Agency to eligible applications on the basis of a point system as contained in this section. The application and supporting information will be used to determine an eligible proposed project's priority for available guarantee authority. All lenders, including CLP lenders, will consider Agency priorities when choosing projects for guarantee. The lender will provide necessary information related to determining the score, as requested.

(1) *Population priority.* Projects located in an unincorporated area or in a city with under 25,000 population (10 points).

(2) *Community priority.* The priority score for community will be the total score for the following categories:

(i) Located in an eligible area of long term population decline and job deterioration based on reliable statistical data (5 points).

(ii) Located in a rural community that has remained persistently poor over the last 60 years (5 points).

(iii) Located in a rural community that is experiencing trauma as a result
