all depositors at least equal to the requirements of this section;

(3) The shipping warehouseman must transfer all identity-preserved cotton in lots and must list on a Bill of Lading all forwarded bales by receipt number and weight. The receiving warehouseman shall promptly issue a non-negotiable warehouse receipt for each lot of cotton stored and shall attach a copy of the corresponding Bill of Lading to each receipt and return the receipt promptly to the shipping warehouseman. The receiving warehouseman will store each such lot intact, and will attach a header card to the lot showing the receipt number, number of bales, and a copy of the Bill of Lading with the individual tag numbers, marks, or identifiers to the stored lot. Such non-negotiable warehouse receipts issued for forwarded cotton shall have printed or stamped diagonally in large bold outline letters across the face of the receipt the words: "NOT NEGOTIABLE."

(4) The shipping warehouseman's bond shall be increased to consider the addition of the transferred cotton to the licensed capacity of the warehouse with the net asset requirements based on the total of the licensed capacity and the forwarded cotton (The bond amount need not be more than \$250,000 unless necessary to cover a deficiency in net assets to meet requirements. The receiving warehouseman must not incur storage obligations that exceed the licensed capacity of the receiving warehouse);

(5) The shipping warehouseman continues to retain storage obligations to the owners of all cotton deposited in the warehouse for storage whether forwarded or retained and is, except as otherwise agreed upon under paragraph (b)(6) of this section, required to redeliver the cotton, upon demand, to the depositor or the depositor's transferee at the warehouse where the cotton was first deposited for storage;

(6) The owner of cotton deposited for storage at the warehouse must make settlement and take delivery at the warehouse where the cotton was first deposited for storage, unless the owner of the cotton, with the consent of both the shipping warehouseman and the receiving warehouseman, elects to take

delivery at the warehouse to which cotton was transferred under this section;

(7) Nothing in this section diminishes the right of the owner of the cotton to receive or the obligation of the warehouseman of a licensed warehouse from which the product is transferred, to deliver to the owner the same cotton, identity preserved, called for by the warehouse receipt or other evidence of storage;

(8) Recording and retention of non-negotiable warehouse receipts received as a result of forwarding cotton under this section shall be subject to the requirements for warehouse receipts specified elsewhere in these regulations; and

(9) If it is the shipping warehouseman's obligation by terms of the warehouse receipt or otherwise to insure the cotton subject to the transfer, he must in accordance with 7 CFR 735.23 keep such cotton insured in his own name or transfer the cotton only to a warehouse where the cotton is fully insured.
