(a) The Control Committee, at its meeting held on or before August 1 of each year for the purpose of making recommendations to the Secretary under the provisions of § 927.50, shall estimate the district percentages which the grades and sizes of each variety of pears permitted to be shipped from each district under the recommended regulation bears to the total quantity of each variety of pears which could be shipped from that district in the absence of regulation.

(b) Any notice issued or given pursuant to this estimate shall specifically state that each of the said percentages is merely an estimate subject to change, and is not to be relied upon until final action is taken as hereinafter provided. The chairman of each exemption committee shall call a meeting of such committee within his district not later than a date to be determined each year by the Control Committee at the meeting specified in paragraph (a) of this section.

(c) At said district meeting, the district percentage estimates made by the Control Committee shall be reviewed by the exemption committee, and, if found to be not in accordance with conditions then existing within the district, said committee shall recommend proper adjustments to the Control Committee. At the same time, and in order to insure prompt handling of such application, the applicant shall mail or deliver a copy of the application to the chairman of the exemption committee in the district in which the pears are grown. The application should be filed at the time the pears are harvested, and must be filed prior to the time the applicant's crop is graded, sized, and packed. The said exemption committee shall have the right to make or cause to be made such additional investigation as may be necessary to determine whether the portion of the applicant's production covered by the inspection certificates adequately represents the applicant's total production of such variety. The cost of such inspection shall be borne by the applicant. The application to be submitted shall be "Form E-1 Growers Application for Exemption Certificate" and shall contain the following information:
