#### EXPENSES AND ASSESSMENTS

### § 927.40 Expenses.

The Control Committee is authorized to incur such expenses as the Secretary finds may be necessary to carry out its functions under this subpart. The funds to cover such expenses shall be acquired by the levying of assessments as provided in § 927.41.

### § 927.41 Assessments.

(a) Assessments will be levied only upon handlers who first handle pears. Each handler shall pay assessments on all pears handled by such handler as the pro rata share of the expenses which the Secretary finds are reasonable and likely to be incurred by the Control Committee during a fiscal period. The payment of assessments for the maintenance and functioning of the Control Committee may be required under this part throughout the period such assessments are payable irrespective of whether particular provisions thereof are suspended or become inoperative.

(b) Based upon a recommendation of the Control Committee or other available data, the Secretary shall fix the

rate of assessment that handlers shall pay on all pears handled during each fiscal period, and may also fix supplemental rates of assessment on individual varieties or subvarieties to secure sufficient funds to provide for projects authorized under § 927.47. At any time during the fiscal period when it is determined on the basis of a committee recommendation or other information that a different rate is necessary for all pears or for any varieties or subvarieties, the Secretary may modify a rate of assessment and such new rate shall apply to any or all varieties or subvarieties that are shipped during the fiscal period.

(c) The Control Committee may impose a late payment charge on any handler who fails to pay any assessment within the time prescribed by the committee. In the event the handler thereafter fails to pay the amount outstanding, including the late payment charge, within the prescribed time, the Control Committee may impose an additional charge in the form of interest on such outstanding amount. The amount of such late payment charge and rate of interest, shall be prescribed by the Control Committee, with the approval of the Secretary.

(d) In order to provide funds to carry out the functions of the Control Committee prior to commencement of shipments in any season, handlers may make advance payments of assessments, which advance payments shall be credited to such handlers and the assessments of such handlers shall be adjusted so that such assessments are based upon the quantity of each variety of pears handled by such handlers during such season. Further, payment discounts may be authorized by the Control Committee upon the approval of the Secretary to handlers making such advance assessment payments.

do not exceed approximately one fiscal period's expenses. Such reserve may be used (1) to cover any expense authorized under this part and (2) to cover necessary expenses of liquidation in the event of termination of this part. Any such excess not retained in a reserve or applied to any outstanding obligation of the person from whom it was collected shall be refunded proportionately to the persons from whom it was collected. Upon termination of this part, any funds not required to defray the necessary expenses of liquidation shall be disposed of in such manner as the Secretary may determine to be appropriate: *Provided*, That to the extent practical, such funds shall be returned pro rata to the persons from whom such funds were collected.

(b) All funds received by the committee pursuant to the provisions of this part shall be used solely for the purpose specified in this part and shall be accounted for in the manner provided in this part. The Secretary may at any time require the committee and its members to account for all receipts and disbursements.

### § 927.45 Contributions.

### § 927.47 Research and development.
