§ 989.139

(b) *District No. 2.* All of the counties south of Fresno County.

(c) *District No. 3* All of Fresno County.

[49 FR 18730, May 2, 1984]

§ 989.126 Representation of the Committee.

(a) To provide independent and small cooperative producers equitable representation throughout the production area commencing with the term of office beginning May 1, 1984, representation shall be apportioned among the three districts specified in § 989.122. Districts 1 and 2 shall each have one producer member, and District 3 shall have the remaining producer members to which independent and small cooperative producers are entitled pursuant to § 989.26(c).

(b) Pursuant to section 989.26(d) and commencing with the term of office beginning May 1, 1994, apportionment of the independent and small cooperative marketing association handlers shall be:

(1) Two members selected from and representing the four handler(s) other than major cooperative marketing association handler(s) who acquired the largest percentage of the total raisin acquisitions during the preceding crop year;

(2) Three members selected from and representing the six handlers other than major cooperative marketing association handler(s) who acquired the next largest percentage of the total raisin acquisitions during the preceding crop year; and

(3) The remaining member(s) selected from and representing all other handlers, including small cooperative marketing association handler(s) and all processors.

§ 989.129 Voting at nomination meetings.

Any person (defined in § 989.3 as an individual, partnership, corporation, association, or any other business unit) who is engaged, in a proprietary capacity, in the production of grapes which are sun-dried or dehydrated by artificial means to produce raisins and who qualifies under the provisions of

§ 989.29(b)(2) shall be eligible to cast one vote for a nominee for each producer member position and one vote for a nominee for each producer alternate member position on the committee which is to be filled for his district. Such person must be the one who or which: (a) Owns and farms land resulting in his or its ownership of such grapes produced thereon; (b) rents and farms land, resulting in his or its ownership of all or a portion of such grapes produced thereon; or (c) owns land which he or it does not farm and, as rental for such land, obtains the ownership of a portion of such grapes or the raisins. In this connection, a partnership shall be deemed to include two or more persons (including a husband and wife) with respect to land the title to which, or leasehold interest in which, is vested in them as tenants in common, joint tenants, or under community property laws, as community property. In a landlord-tenant relationship, wherein each of the parties is a producer, each such producer shall be entitled to one vote for a nominee for each producer member position and one vote for each producer alternate member position. Hence, where two persons operate land as landlord and tenant on a share-crop basis, each person is entitled to one vote for each such position to be filled. Where land is leased on a cash rental basis, only the person who is the tenant or cash renter (producer) is entitled to vote. A partnership or corporation, when eligible, is entitled to cast only one vote for a nominee for each producer position to be filled in its district.

MARKETING POLICY

§ 989.154 Marketing policy computations.

(a) *Desirable carryout levels.* The desirable carryout levels to be used in computing and announcing a crop year's marketing policy shall be equal to the total shipments of free tonnage during August, September, and October for each of the past 5 crop years, for each varietal type, converted to a natural condition basis, dropping the high and low figures, and dividing the remaining sum by three.

(b) *Estimated trade demand.* Pursuant to § 989.54(e)(4), estimated trade demand is a figure different than the trade demand computed according to the formula in § 989.54(a). The Committee shall use an estimated trade demand to compute preliminary and interim free and reserve percentages, or determine such final percentages for recommendation to the Secretary for 1999–2000 crop Natural (sun-dried) Seedless (NS) raisins if the crop estimate is equal to, less than, or no more than 10 percent greater than the computed trade demand: Provided, That the final reserve percentage computed using such estimated trade demand shall be no more than 10 percent, and no reserve shall be established if the final 1999–2000 NS raisin crop estimate is less than 235,000 natural condition tons.

§ 989.156 Raisin diversion program.

(a)(1) *Quantity to be diverted.* On or before November 30 of each crop year, the Committee shall announce the quantity of raisins eligible for a raisin diversion program. On or before January 15 of each crop year, the Committee may announce an increase in the tonnage eligible for a raisin diversion program. The quantity eligible for diversion may be announced for any of the following varietal types of raisins: Natural (sun-dried) Seedless, Muscat (including other raisins with seeds), Sultana, Zante Currant, Monukka, and

7 CFR Ch. IX (1–1–01 Edition)

Other Seedless raisins. At the same time the Committee shall determine and announce to producers, handlers, and the cooperative bargaining association(s) the allowable harvest cost to be applicable to such diversion tonnage. The factors to be reviewed by the Committee in determining allowable harvest costs shall include but not be limited to: Costs for picking, turning, rolling, boxing, paper trays, vineyard terracing, hauling to the handler, and crop insurance.

(2) The Committee may limit any season's diversion program to production units on which producers agree to remove the vines. Such restriction shall be announced at the time the tonnage available for that season's diversion program is announced.

(b) *Application for diversion certificates.* Any producer desiring to participate in a raisin diversion program shall file with the Committee, by certified mail, prior to December 20 of the crop year, an application on Form RAC-1000, "Application for Raisin Diversion Certificate" together with a copy of any two of the following four documents: Plot Map from County Hall of Records; irrigation tax bill; county property tax bill; or any other document containing an Appraisal Parcel Number. Such application shall include at least the following information:

(1) The name, address, and telephone number of the producer;

(2) The location and size of the production unit to be diverted;

(3) The raisin production by varietal type on such production unit during the prior crop year or the last crop year eligible for such diversion;

(4) The handler to whom such raisins were delivered;

(5) A statement identifying whether the applicant will remove the vines in the production unit under the program;

(6) A statement that all persons with an equity interest in the grapes in the production unit to be diverted consent to the filing of the application; and

(7) A statement that the producer agrees to comply with the regulations established for a raisin diversion program.
