

§ 989.55

the estimated costs incurred by the Committee for equity holders.

(h) *Publicity.* The Committee shall promptly give reasonable publicity to producers, dehydrators, handlers, and the cooperative bargaining association(s) of each meeting to consider a marketing policy or any modification thereof, and each such meeting shall be open to them. Similar publicity shall be given to producers, dehydrators, handlers, and the cooperative bargaining association(s) of each marketing policy report or modification thereof, filed with the Secretary and of the Secretary's action thereon. Copies of all marketing policy reports shall be maintained in the office of the Committee, where they shall be made available for examination by any producer, dehydrator, handler, or cooperative bargaining association representative. The Committee shall notify handlers, dehydrators and the cooperative bargaining association(s), and give reasonable publicity to producers of its computation of the trade demand, preliminary percentages, and interim percentages and shall notify handlers, dehydrators, and the cooperative bargaining association(s) of the Secretary's action on percentages by registered or certified mail.

§ 989.56 Raisin diversion program.

(a) *Announcement of program.* On or before November 30 of each crop year, the committee shall hold a meeting to review production data, supply data, demand data, including anticipated demand to all potential market outlets, desirable carryout inventory, and other matters relating to the quantity of raisins of all varietal types. When the committee determines that raisins exist in the reserve pool in excess of projected market needs for any varietal type, it may announce the amount of such tonnage eligible for diversion during the subsequent crop year. At the same time, the committee shall determine and announce to producers, handlers, and the cooperative bargaining association(s) the allowable harvest cost to be applicable to such diversion tonnage. A production cap of 2.75 tons of raisins per acre shall be established for any production unit approved for participation in a diversion program. The committee, with the approval of the Secretary, may recommend, at the same time that the diversion tonnage for that season is announced, a change in the production cap for that season's diversion program of less than 2.75 tons per acre for any production unit approved for the diversion program.

(b) *Voluntary diversion.* No producer shall be required to participate in any raisin diversion program.

(c) *Issuance of diversion certificates.* After the committee announces a raisin diversion program, any producer may divert grapes of the producer's own production and receive from the committee a diversion certificate in accordance with the applicable rules and regulations. Such certificates may
