§ 212.5 Parole of aliens into the United States.

(a) The parole of aliens within the following groups who have been or are detained in accordance with § 235.3(b) or (c) of this chapter would generally be justified only on a case-by-case basis for "urgent humanitarian reasons" or "significant public benefit," provided the aliens present neither a security risk nor a risk of absconding:

(1) Aliens who have serious medical conditions in which continued detention would not be appropriate;

(2) Women who have been medically certified as pregnant;

(3) Aliens who are defined as juveniles in § 236.3(a) of this chapter. The district director or chief patrol agent shall follow the guidelines set forth in § 236.3(a) of this chapter and paragraphs (a)(3)(i) through (iii) of this section in determining under what conditions a juvenile should be paroled from detention:

(i) Juveniles may be released to a relative (brother, sister, aunt, uncle, or grandparent) not in Service detention who is willing to sponsor a minor and the minor may be released to that relative notwithstanding that the juvenile has a relative who is in detention.

(ii) If a relative who is not in detention cannot be located to sponsor the minor, the minor may be released with an accompanying relative who is in detention.

(iii) If the Service cannot locate a relative in or out of detention to sponsor the minor, but the minor has identified a non-relative in detention who accompanied him or her on arrival, the question of releasing the minor and the accompanying non-relative adult shall be addressed on a case-by-case basis;

(4) Aliens who will be witnesses in proceedings being, or to be, conducted by judicial, administrative, or legislative bodies in the United States; or

(5) Aliens whose continued detention is not in the public interest as determined by the district director or chief patrol agent.

(b) In the cases of all other arriving aliens, except those detained under § 235.3(b) or (c) of this chapter and paragraph (a) of this section, the district director or chief patrol agent may, after review of the individual case, parole into the United States temporarily in accordance with section 212(d)(5)(A) of the Act, any alien applicant for admission, under such terms and conditions, including those set forth in paragraph (c) of this section, as he or she may deem appropriate. An alien who arrives at a port-of-entry and applies for parole into the United States for the sole purpose of seeking adjustment of status under section 245A of the Act, without benefit of advance authorization as described in paragraph (e) of this section shall be denied parole and

detained for removal in accordance with the provisions of §235.3(b) or (c) of this chapter. An alien seeking to enter the United States for the sole purpose of applying for adjustment of status under section 210 of the Act shall be denied parole and detained for removal under §235.3(b) or (c) of this chapter, unless the alien has been recommended for approval of such application for adjustment by a consular officer at an Overseas Processing Office.

(c) *Conditions.* In any case where an alien is paroled under paragraph (a) or (b) of this section, the district director or chief patrol agent may require reasonable assurances that the alien will appear at all hearings and/or depart the United States when required to do so. Not all factors listed need be present for parole to be exercised. The district director or chief patrol agent should apply reasonable discretion. The consideration of all relevant factors includes:

(1) The giving of an undertaking by the applicant, counsel, or a sponsor to ensure appearances or departure, and a bond may be required on Form I-352 in such amount as the district director or chief patrol agent may deem appropriate;

(2) Community ties such as close relatives with known addresses; and

(3) Agreement to reasonable conditions (such as periodic reporting of whereabouts).

(d) *Termination of parole*—(1) *Automatic.* Parole shall be automatically terminated without written notice (i) upon the departure from the United States of the alien, or, (ii) if not departed, at the expiration of the time for which parole was authorized, and in the latter case the alien shall be processed in accordance with paragraph (d)(2) of this section except that no written notice shall be required.

(2)(i) *On notice.* In cases not covered by paragraph (d)(1) of this section, upon accomplishment of the purpose for which parole was authorized or when in the opinion of the district director or chief patrol agent in charge of the area in which the alien is located, neither humanitarian reasons nor public benefit warrants the continued presence of the alien in the United States, parole shall be terminated upon

written notice to the alien and he or she shall be restored to the status that he or she had at the time of parole. When a charging document is served on the alien, the charging document will constitute written notice of termination of parole, unless otherwise specified. Any further inspection or hearing shall be conducted under section 235 or 240 of the Act and this chapter, or any order of exclusion, deportation, or removal previously entered shall be executed. If the exclusion, deportation, or removal order cannot be executed by removal within a reasonable time, the alien shall again be released on parole unless in the opinion of the district director or the chief patrol agent the public interest requires that the alien be continued in custody.

(ii) An alien who is granted parole into the United States after enactment of the Immigration Reform and Control Act of 1986 for other than the specific purpose of applying for adjustment of status under section 245A of the Act shall not be permitted to avail him or herself of the privilege of adjustment thereunder. Failure to abide by this provision through making such an application will subject the alien to termination of parole status and institution of proceedings under sections 235 and 236 of the Act without the written notice of termination required by §212.5(d)(2)(i) of this chapter.

(e) *Advance authorization.* When parole is authorized for an alien who will travel to the United States without a visa, the alien shall be issued Form I-512.

(f) *Parole for certain Cuban nationals.* Notwithstanding any other provision respecting parole, the determination whether to release on parole, or to revoke the parole of, a native of Cuba who last came to the United States between April 15, 1980, and October 20, 1980, shall be governed by the terms of §212.12.

(g) *Effect of parole of Cuban and Haitian nationals.* (1) Except as provided in paragraph (g)(2) of this section, any national of Cuba or Haiti who was paroled into the United States on or after October 10, 1980, shall be considered to have been paroled in the special status for nationals of Cuba or Haiti, referred to in section 501(e)(1) of the Refugee

Education Assistance Act of 1980, Public Law 96-422, as amended (8 U.S.C. 1522 note).

(2) A national of Cuba or Haiti shall not be considered to have been paroled in the special status for nationals of Cuba or Haiti, referred to in section 501(e)(1) of the Refugee Education Assistance Act of 1980, Public Law 96-422, as amended, if the individual was paroled into the United States:

(i) In the custody of a Federal, State or local law enforcement or prosecutorial authority, for purposes of criminal prosecution in the United States; or

(ii) Solely to testify as a witness in proceedings before a judicial, administrative, or legislative body in the United States.
