

Grain Inspection, Packers and Stockyards Administration, USDA § 201.73-1

a scale is inspected or tested and found to be in a condition to give incorrect or inaccurate weights or if any repairs, adjustments or replacements are made to a scale, it shall not be used until it has been inspected and tested and determined to meet all accuracy requirements specified in the regulations in this section.

[65 FR 17763, Apr. 5, 2000]

§ 201.72 Scales; testing of.

(a) Each stockyard owner, market agency, dealer, packer, or live poultry dealer who weighs livestock, live poultry, or feed for purposes of purchase, sale, acquisition, payment, or settlement of livestock or live poultry, or who weighs livestock carcasses for the purpose of purchase on a carcass weight basis, or who furnishes scales for such purposes, shall cause such scales to be tested by competent persons in accordance with the regulations in this part at least twice during each calendar year at intervals of approximately 6 months. More frequent testing will be required in cases where the scale does not maintain accuracy between tests.

(b) Each stockyard owner, market agency, dealer, packer, or live poultry dealer who weighs livestock, livestock carcasses, live poultry, or feed for purposes of purchase, sale, acquisition, payment, or settlement of livestock, livestock carcasses or live poultry shall furnish reports of such tests and inspections on forms prescribed by the Administrator. The stockyard owner, market agency, dealer, packer or live poultry dealer shall retain one copy of the test and inspection report and shall file one copy with the P&S regional office for the region in which the scale is located.

(c) When scales used for weighing livestock, livestock carcasses, live poultry, or feed are tested and inspected by an agency of a State or municipality or other governmental subdivision, the forms ordinarily used by such agency for reporting test and inspection of scales shall be accepted in lieu of the forms prescribed for this purpose by the Administrator if such

forms contain substantially the same information.

§ 201.73-1 Instructions for weighing livestock.

Stockyard operators, market agencies, dealers, and packers who operate scales on which livestock is weighed in purchase or sales transactions are responsible for the accurate weighing of such livestock. They shall supply copies of the instructions in this section to all persons who perform weighing operations for them and direct such person to familiarize themselves with the instructions and to comply with them at all times. This section shall also apply to any additional weighers who are employed at any time. Weighers must acknowledge their receipt of these instructions and agree to comply with them, by signing in duplicate, P&SA Form 215 provided by the Packers and Stockyards Programs. One copy of the form is to be filed with a regional office of the Packers and Stockyards Programs and the other retained by the agency employing the weighers.

(a) *Balancing the empty scale.* (1) The empty scale shall be balanced each day before weighing begins, and maintained in correct balance which weighing operations continue. The zero balance shall be verified at intervals of not more than 15 drafts or 15 minutes, whichever is completed first. In addition, the zero balance of the scale shall be verified whenever a weigher resumes
