(3) The magnitude of transactions subject to a reporting requirement; and

(4) The kind of transaction subject to or exempt from a reporting requirement.

(d) *Form of reports.* Regulations issued pursuant to paragraph (a) of this section may prescribe the manner in which the information is to be reported. However, the Secretary may authorize a designated financial institution to report in a different manner if the institution demonstrates to the Secretary that the form of the required report is unnecessarily burdensome on the institution as prescribed; that a report in a different form will provide all the information the Secretary deems necessary; and that submission of the information in a different manner will not unduly hinder the effective administration of this part.

(e) *Limitations.* (1) In issuing regulations under paragraph (a) of this section, the Secretary shall consider the need to avoid impeding or controlling the export or import of monetary instruments and the need to avoid burdening unreasonably a person making a transaction with a foreign financial agency.

(2) The Secretary shall not issue a regulation under paragraph (a) of this section for the purpose of obtaining individually identifiable account information concerning a customer, as defined by the Right to Financial Privacy Act (12 U.S.C. 3401 *et seq.*), where that customer is already the subject of an ongoing investigation for possible violation of the Currency and Foreign Transactions Reporting Act, or is known by the Secretary to be the subject of an investigation for possible violation of any other Federal law.

(3) The Secretary may issue a regulation pursuant to paragraph (a) of this section requiring a financial institution to report transactions completed prior to the date it received notice of the reporting requirement. However, with respect to completed transactions, a financial institution may be required to provide information only from records required to be maintained pursuant to Subpart C of this part, or any other provision of state or Federal

(7) The amount of time the reports and records of reports generated in response to the order will have to be retained by the financial institution; and

(8) Any other information deemed necessary to carry out the purposes of the order.

(d)(1) No order issued pursuant to paragraph (a) of this section shall prescribe a reporting period of more than 60 days unless renewed pursuant to the requirements of paragraph (a).

(2) Any revisions to an order issued under this section will not be effective until made in writing by the Secretary.

(3) Unless otherwise specified in the order, a bank receiving an order under this section may continue to use the exemptions granted under §103.22 of this part prior to the receipt of the order, but may not grant additional exemptions.
