

§ 325.9

33 CFR Ch. II (7-1-01 Edition)

(c) *Division engineer's authority.* Division engineers will review and evaluate all permit applications referred by district engineers. Division engineers may authorize the issuance or denial of permits pursuant to section 10 of the Rivers and Harbors Act of 1899; section 404 of the Clean Water Act; and section 103 of the Marine Protection, Research and Sanctuaries Act of 1972, as amended; and the inclusion of conditions in accordance with §325.4 of this part in all cases not required to be referred to the Chief of Engineers. Division engineers will refer the following applications to the Chief of Engineers for resolution:

- (1) When a referral is required by a written agreement between the head of a Federal agency and the Secretary of the Army;
- (2) When there is substantial doubt as to authority, law, regulations, or policies applicable to the proposed activity;
- (3) When higher authority requests the application be forwarded for decision; or
- (4) When the division engineer is precluded by law or procedures required by law from taking final action on the application.

§325.9 Authority to determine jurisdiction.

District engineers are authorized to determine the area defined by the terms "navigable waters of the United States" and "waters of the United States" except:

- (a) When a determination of navigability is made pursuant to 33 CFR 329.14 (division engineers have this authority); or
- (b) When EPA makes a section 404 jurisdiction determination under its authority.

§325.10 Publicity.

The district engineer will establish and maintain a program to assure that potential applicants for permits are informed of the requirements of this regulation and of the steps required to obtain permits for activities in waters of the United States or ocean waters. Whenever the district engineer becomes aware of plans being developed by either private or public entities which might require permits for imple-

mentation, he should advise the potential applicant in writing of the statutory requirements and the provisions of this regulation. Whenever the district engineer is aware of changes in Corps of Engineers regulatory jurisdiction, he will issue appropriate public notices.

APPENDIX A TO PART 325—PERMIT FORM AND SPECIAL CONDITIONS

A. Permit Form

DEPARTMENT OF THE ARMY PERMIT

Permittee _____
Permit No. _____
Issuing Office _____

NOTE.— The term "you" and its derivatives, as used in this permit, means the permittee or any future transferee. The term "this office" refers to the appropriate district or division office of the Corps of Engineers having jurisdiction over the permitted activity or the appropriate official of that office acting under the authority of the commanding officer.

You are authorized to perform work in accordance with the terms and conditions specified below.

Project Description: (Describe the permitted activity and its intended use with references to any attached plans or drawings that are considered to be a part of the project description. Include a description of the types and quantities of dredged or fill materials to be discharged in jurisdictional waters.)

Project Location: (Where appropriate, provide the names of and the locations on the waters where the permitted activity and any off-site disposals will take place. Also, using name, distance, and direction, locate the permitted activity in reference to a nearby landmark such as a town or city.)

Permit Conditions:

General Conditions:

1. The time limit for completing the work authorized ends on _____. If you find that you need more time to complete the authorized activity, submit your request for a time extension to this office for consideration at least one month before the above date is reached.

2. You must maintain the activity authorized by this permit in good condition and in conformance with the terms and conditions of this permit. You are not relieved of this requirement if you abandon the permitted activity, although you may make a good faith transfer to a third party in compliance with General Condition 4 below. Should you wish to cease to maintain the authorized activity or should you desire to abandon it without a good faith transfer, you must obtain a modification of this permit from this
