

**Subpart C—How Does A State Apply for a Grant?**

**§ 403.30 What documents must a State submit to receive a grant?**

(a) A State that desires to participate in the State Vocational and Applied Technology Education Program shall submit to the Secretary a State plan for a three-year period, in the case of the initial plan, and a two-year period thereafter, together with annual revisions the State board determines to be necessary.

(b) Each State shall carry out its programs under the State Vocational and Applied Technology Education Program on the basis of program years that coincide with program years under section 104(a) of the JTPA.

(c) The provisions of 34 CFR 76.103 do not apply to the State Vocational and Applied Technology Education Program.

(Approved by the Office of Management and Budget under Control No. 1830-0029)

(Authority: 20 U.S.C. 2323)

**§ 403.31 How is the State plan developed?**

(a) In formulating the State plan, and any amendments to the State plan, the State board shall meet with, and utilize, the State council on vocational education established under §403.17.

(b) After providing appropriate and sufficient notice to the public, the State board shall conduct at least two public hearings in the State for the purpose of affording all segments of the public and interested organizations and groups an opportunity to present their views and make recommendations regarding the State plan.

(c) A State shall provide public notice of hearings on the State plan at least 30 days prior to the hearings.

(d) In developing a State plan, the State shall conduct an assessment according to §403.203.

(e) The State board shall develop the portion of each State plan relating to the amount and uses of any funds proposed to be reserved for adult education, postsecondary education, tech-prep education, and secondary education after consultation with the State agency responsible for super-

vision of community colleges, technical institutes, or other two-year postsecondary institutions primarily engaged in providing postsecondary vocational education and the State agency responsible for secondary education. If a State agency finds that a portion of the final State plan is objectionable, that agency shall file its objections with the State board.

(f) The State board shall, in developing the State plan, take into consideration the relative training and retraining needs of secondary, adult, and postsecondary students.

(Approved by the Office of Management and Budget under Control No. 1830-0029)

(Authority: 20 U.S.C. 2323(a)(2) and 2324(a))

**§ 403.32 What must the State plan contain?**

(a) *Assurances.* To participate in the programs authorized under the State Vocational and Applied Technology Program, the State shall, in its State plan, provide assurances that —

(1) The State board will comply with the applicable requirements of titles I, II, III, and V of the Act and regulations implementing those requirements (including the maintenance of fiscal effort requirement in §403.182);

(2) Eligible recipients will comply with the requirements of titles I, II, III, and V of the Act and the regulations implementing those requirements;

(3) The State board will develop measurable goals and accountability measures for meeting the needs of individuals who are members of special populations;

(4) The State board will conduct adequate monitoring of projects, services, and activities conducted by eligible recipients to ensure that the eligible recipients are meeting the goals described in paragraph (a)(3) of this section;

(5) To the extent consistent with the number and location of individuals who are members of special populations enrolled in private secondary schools, the State will provide for the participation of those individuals in the vocational education projects, services, and activities assisted under §§403.112 and 403.113;
