

§ 649.61

graduate fellowships, except that this amount must be adjusted as necessary so as not to exceed the fellow's demonstrated level of financial need.

(Authority: 20 U.S.C. 1134f)

§ 649.61 How does the Secretary make an institutional payment?

(a) With respect to awards made for the academic year 1993–1994, the Secretary makes a payment of \$9,000 to the institution of higher education for each individual awarded a fellowship at the institution. The Secretary adjusts the institutional payment annually thereafter in accordance with inflation as determined by the U.S. Department of Labor's Consumer Price Index for the previous calendar year.

(b) An institution shall treat the institutional payment made by the Secretary on behalf of a fellow as full payment of tuition and fees required of the fellow by the institution as part of the fellow's instructional program.

(Authority: 20 U.S.C. 1134e)

§ 649.62 What are the Secretary's payment procedures?

(a) The Secretary pays to the institution of higher education the fellowship stipend and institutional payment for each individual enrolled in that institution that is awarded a fellowship under this program.

(b) If an institution of higher education is unable to use all of the amounts available under this program, the Secretary—on such dates each fiscal year as the Secretary determines—reallocates the amounts not used to other institutions of higher education that can use the grants authorized under this program in the academic year following the reallocation.

(c) The Secretary does not award a fellowship under this part for study at a school or department of divinity.

(Authority: 20 U.S.C. 1134, 1134e)

§ 649.63 How does the institution disburse and return funds?

(a) If a fellow withdraws from an institution before completion of an academic term, the institution shall refund to the Secretary a pro-rated portion of the institutional payment that

it received for that fellow. The institution shall return the funds to the Secretary at a time and in a manner as the Secretary requires.

(b) An institution shall disburse a stipend to a fellow in accordance with its regular payment schedule for graduate assistants, but shall not make less than one payment per academic term. If the fellowship is vacated or discontinued, the institution shall return unexpended funds to the Secretary at a time and in a manner as the Secretary requires.

(c) A fellow who withdraws from an institution before completion of an academic term for which he or she received a stipend installment shall return a pro-rated portion of the stipend installment to the institution at a time and in a manner as the Secretary requires.

(d) If a fellow first enrolls at an institution in the spring term, the institution shall disburse a pro-rated stipend to the fellow and use a pro-rated portion of the institutional payment for that fellow and shall carry over for disbursement the following academic year the remaining portion of the stipend and the institutional payment for that fellow.

(Authority: 20 U.S.C. 1134e, 1134f)

§ 649.64 What records and reports are required from the institution?

(a) An institution of higher education that receives a grant shall provide to the Secretary, prior to receipt of funds for disbursement to a fellow after the fellow's first academic term, a certification that the fellow is enrolled in, is making satisfactory progress in, and is devoting essentially full time to study in the academic field for which the grant was made.

(b) An institution of higher education that receives a grant shall keep records as are necessary to establish the time and amount of all stipend disbursements.
