§ 1007.8

limit be extended by more than 20 working days:

(1) The need to search for and collect the requested records from facilities or other establishments that are separate from the main office of the Presidio Trust;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request.

(d) *Notice of extension.* A requester shall be notified in writing of an extension under paragraph (c) of this section. The notice shall state the reason for the extension and the date on which a determination on the request is expected to be made.

(e) *Treatment of delay as denial.* If no determination has been reached at the end of the 20 working day period for deciding an initial request, or an extension thereof under §1007.6(c), the requester may deem the request denied and may exercise a right of appeal in accordance with §1007.7.

(f) *Notice of delay.* When a determination cannot be reached within the time limit, or extension thereof, the requester shall be notified of the reason for the delay, of the date on which a determination may be expected, and of the right to treat the delay as a denial for purposes of appeal, including a reference to the procedures for filing an appeal in §1007.7.

§ 1007.7 Appeals.

(a) *Right of appeal.* A requester may appeal to the Executive Director when:

(1) Records have been withheld;

(2) A request has been denied for failure to describe requested records or for other procedural deficiency or because requested records cannot be located;

(3) A fee waiver has been denied;

(4) A request has not been decided within the time limits provided in §1007.6; or

(5) A request for expedited processing under §1007.5(d) has been denied.

(b) *Time for appeal.* An appeal must be received at the office of the Presidio

Trust no later than 20 working days after the date of the initial denial, in the case of a denial of an entire request, or 20 working days after records have been made available, in the case of a partial denial.

(c) *Form of appeal.* (1) An appeal shall be initiated by filing a written notice of appeal. The notice shall be accompanied by copies of the original request and the initial denial and should, in order to expedite the appellate process and give the requester an opportunity to present his or her arguments, contain a brief statement of the reasons why the requester believes the initial denial to have been in error.

(2) The appeal shall be addressed to the Executive Director, The Presidio Trust, P.O. Box 29052, San Francisco, CA 94129-0052.

(3) To expedite processing, both the envelope containing a notice of appeal and the face of the notice should bear the legend "FREEDOM OF INFORMATION APPEAL."

§ 1007.8 Action on appeals.

(a) *Authority.* Appeals shall be decided by the Executive Director after consultation with the FOIA Officer and the General Counsel.

(b) *Time limit.* A final determination shall be made within 20 working days after receipt of an appeal meeting the requirements of §1007.7(c).

(c) *Extensions of time.* (1) If the time limit for responding to the initial request for a record was not extended under the provisions of §1007.6(c) or was extended for fewer than 10 working days, the time for processing of the appeal may be extended to the extent reasonably necessary to the proper processing of the appeal, but in no event may the extension, when taken together with any extension made during processing of the initial request, result in an aggregate extension with respect to any one request of more than 10 working days. The time for processing of an appeal may be extended only if one or more of the unusual circumstances listed in §1007.6(c) requires an extension.

(2) The appellant shall be advised in writing of the reasons for the extension

and the date on which a final determination on the appeal is expected to be dispatched.

(3) If no determination on the appeal has been reached at the end of the 20 working day period, or the extension thereof, the requester is deemed to have exhausted his administrative remedies, giving rise to a right of review in the United States District Court for the Northern District of California, as specified in 5 U.S.C. 552(a)(4).

(4) When no determination can be reached within the applicable time limit, the appeal will nevertheless continue to be processed. On expiration of the time limit, the requester shall be informed of the reason for the delay, of the date on which a determination may be reached to be dispatched, and of the right to seek judicial review.

(d) *Form of decision.* (1) The final determination on an appeal shall be in writing and shall state the basis for the determination. If the determination is to release the requested records or portions thereof, the FOIA Officer shall immediately make the records available. If the determination upholds in whole or part the initial denial of a request for records, the determination shall advise the requester of the right to obtain judicial review in the U.S. District Court for the Northern District of California and shall set forth the names and titles or positions of each person responsible for the denial.

(2) If a requested record (or portion thereof) is being made available over the objections of a submitter made in accordance with §1007.4(c), the submitter shall be provided notice as described in §1007.5(b)(3).

§ 1007.9 Fees.

(a) *Policy.* (1) Unless waived pursuant to the provisions of §1007.10, fees for responding to FOIA requests shall be charged in accordance with the provisions of this section and the current schedule of charges determined by the Executive Director and published in the compilation provided under §1001.7(b) of this chapter. Such charges shall be set at the level necessary to recoup the full allowable direct costs to the Trust.

(2) Fees shall not be charged if the total amount chargeable does not ex-

ceed the costs of routine collection and processing of the fee. The Trust shall periodically determine the cost of routine collection and processing of a fee and publish such amount in the compilation provided under §1001.7(b) of this chapter.

(3) Where there is a reasonable basis to conclude that a requester or group of requesters acting in concert has divided a request into a series of requests on a single subject or related subjects to avoid assessment of fees, the requests may be aggregated and fees charged accordingly.

(4) Fees shall be charged to recover the full costs of providing such services as certifying that records are true copies or sending records by a method other than regular mail, when the Trust elects to provide such services.

(5) The following definitions shall apply to this part:

(i) The term *search* includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents or databases. Searches shall be undertaken in the most efficient and least expensive manner possible, consistent with the Presidio Trust's obligations under FOIA and other applicable laws.

(ii) The term *duplication* refers to the process of making a copy of a record necessary to respond to a FOIA request. Such copies can take the form of paper copy, microform, audio-visual materials, or machine-readable documentation (e.g., magnetic tape or disk), among others. The copy provided shall be in a form that is reasonably usable by requesters.

(iii) A *commercial use request* is a request from or on behalf of a person who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. The intended use of records may be determined on the basis of information submitted by a requester and from reasonable inferences based on the identity of the requester and any other available information.

(iv) An *educational institution* is a preschool, a public or private elementary or secondary school, an institution of
