

§ 14.52

imports discretion and indicates no intent to vest in the State a right at the end of the four months' period without further action by the Department having jurisdiction. It was held further that the interest transferred under the statute is merely a right-of-way or right to take materials and that the Government may reserve the right to dispose of leasable minerals.

§ 14.52 Termination of right-of-way no longer needed.

If at any time the need for any such lands or materials for such purposes shall no longer exist, notice of the fact shall be given by the State highway department to the Secretary of Transportation and such lands or materials shall immediately revert to the control of the Secretary of the Department from which they had been appropriated. Notice by the State highway departments, that the need for the land or material no longer exists may be given directly to the Bureau which granted the rights.

§ 14.53 Application.

§ 14.54 General.

Applications for rights-of-way and material sites under title 23, U.S.C., for lands under the jurisdiction of the National Park Service, together with four copies of a durable and legible map shall be filed by the appropriate State highway department with the Director, National Park Service, Department of Interior, Washington, D.C. 20240. Maps should accurately describe the land or interest in land desired, showing the survey of the right-of-way, properly located with respect to the public land surveys so that said right-of-way may be accurately located on the ground by any competent engineer or land surveyor. The map should comply with the requirements of § 14.25(a).

§ 14.55 Consultation with local bureau officials, program values.

An applicant will be expected, at the earliest possible date prior to the filing of an application, to consult with the local officials of the National Park Service to ascertain whether or not the use or appropriation of the lands for right-of-way purposes is consistent

with the Service's management program and to agree to such measures as may be necessary to maintain program values. Failure to do so may lead to an unresolvable conflict of interest and necessitate disallowance of the application.

§ 14.56 Concurrence by Federal Highway Administration.

The appropriate State highway department will forward a copy of each application and map filed with the National Park Service to the authorized officer of the Federal Highway Administration for a determination whether the lands and interests in lands are necessary for the purposes of Title 23, United States Code.

§ 14.57 Approval.

After receipt of such determination that the lands or interests in lands under application are reasonably necessary for the purposes of Title 23, U.S.C., the authorized officer of the National Park Service will notify the applicant and the authorized officer of the Federal Highway Administration either (a) that the approval of the application would be contrary to the public interest or inconsistent with the purposes for which the lands or materials have been reserved or (b) that he proposes to grant the right-of-way under the regulations of this part, subject to said regulations and to such conditions which he indicates in his notice.

§ 14.58 Terms and conditions of allowance.

Grants of rights-of-way under Title 23, U.S.C., by the authorized officer of the National Park Service will be made to the appropriate State highway department or to its nominee and based upon considerations of adequate protection and utilization of Federal lands and interests in lands will be subject to (a) all the pertinent regulations of this part except those which the authorized officer, upon formal request of the applicant may modify or dispense with, in whole or in part, upon a finding that it is in the public interest and in conformity with the purposes of Title 23, U.S.C., and (b) any conditions which he deems necessary.
