(e) *Camping.* (1) Camping is permitted in Yosemite National Park for not more than a total of 30 days in any calendar year: *Provided, however,* That during the period from June 1 to September 15, inclusive, camping within the Yosemite Valley is limited to not more than a total of 7 days and camping within all other portions of the park, during the same period, is limited to not more than a total of 14 days.

(2) Quiet shall be maintained at all camps between 10 p.m. and 6 a.m.

(f)–(g) [Reserved]

(h) *Regulations governing eating and drinking establishments and sale of food and drink.* (1) No restaurant, coffee shop, cafeteria, short order cafe, lunch room, tavern, sandwich stand, soda fountain, or other eating and drinking establishment, including kitchens, or other place in which food and drink is prepared for sale elsewhere, may be operated on any privately-owned lands within Yosemite National Park unless a permit for the operation thereof has first been secured from the Superintendent.

(2) The Superintendent will issue such a permit only after an inspection of the premises to be licensed by the County Health Officer and written notice that the premises comply with the substantive requirements of State and County health laws and ordinances which would apply to the premises if the privately-owned lands were not subject to the jurisdiction of the United States.

(3) The Superintendent or his duly authorized representative shall have the right of inspection at all reasonable times for the purpose of ascertaining whether eating and drinking establishments are being operated in a sanitary manner.

(4) No fee will be charged for the issuance of such a permit.

(5) The applicant or permittee may appeal to the Regional Director, National Park Service, from any final action of the Superintendent refusing, conditioning or revoking the permit. Such an appeal, in writing, shall be filed within twenty days after receipt of notice by the applicant or permittee of the action appealed from. Any final decision of the Regional Director may

§7.16

36 CFR Ch. I (7-1-01 Edition)

be appealed to the Director of the National Park Service within 15 days after receipt of notice by the applicant or permittee of the Regional Director's decision.

(6) The revocable permit for eating and drinking establishments and sale of food and drink authorized in this paragraph to be issued by the Superintendent shall contain general regulatory provisions as hereinafter set forth, and will include such special conditions as the Superintendent may deem necessary to cover existing local circumstances, and shall be in a form substantially as follows:

REVERSE OF PERMIT

GENERAL REGULATORY PROVISIONS OF THIS PERMIT

1. Permittee shall exercise this privilege subject to the supervision of the Superintendent of the Park and shall comply with the regulations of the Secretary of the Interior governing the Park.

2. Any building or structure used for the purpose of conducting the business herein permitted shall be kept in a safe, sanitary and slightly condition.

3. Permittee shall dispose of brush and other refuse from the business herein permitted as required by the Superintendent.

4. Permittee shall pay to the United States for any damage resulting to Government-owned property from the operation of the business herein permitted.

5. Permittee, his agents, and employees shall take all reasonable precautions to prevent forest fires and shall assist the Superintendent to extinguish forest fires within the vicinity of the place of business herein permitted, and in the preservation of good order within the vicinity of the business operations herein permitted.

6. Failure of the permittee to comply with all State and County substantive laws and ordinances applicable to eating and drinking establishments and the sale of food and drink, or to comply with any law or any regulations of the Secretary of the Interior governing the Park, or with the conditions imposed by this permit, will be grounds for revocation of this permit.

7. No disorderly conduct shall be permitted on the premises.

8. This permit may not be transferred or assigned without the consent, in writing, of the Superintendent.

9. Neither Members of, nor Delegates to Congress, or Resident Commissioners, officers, agents, or employees of the Department of the Interior shall be admitted to any share or part of this permit or derive directly or indirectly, any pecuniary benefit arising therefrom.

10. The following special provisions are made a part of this permit:

(i) *Motorboats.* Motorboats are prohibited on all the natural lakes and streams of Yosemite National Park.

(j) *Domestic water supplies and sewage disposal systems—(1) Sewage disposal systems—(i) Construction.* Any dwelling or establishment constructed on privately owned land within Yosemite National Park for the purpose of housing one or more persons must be served by an approved sewage disposal system prior to occupancy. Such system may not be initially constructed or rebuilt without

a permit issued by the Superintendent. Such permit shall be issued only after the receipt by the Superintendent of written notification by the County Health Officer that the plans for such construction or reconstruction are consistent with the requirements of the State and county health laws and ordinances applicable to systems not located on lands within the park.

(ii) *Existing systems.* Any sewage disposal system which was constructed and was in use prior to the effective date of this regulation shall be subject to inspection by the County Health Officer or his duly authorized representative for the purpose of ascertaining whether or not such existing sewage disposal system would meet the requirements of the State and county health laws and ordinances were such system not located on lands within the park. In the event such existing system is found by the Health Officer to be substandard and a hazard to health, the person, corporation, or other organization controlling the structure served by such system shall have one (1) year after service of a written notice by the Superintendent to comply with the requirements of the State and county health laws and ordinances. Such notice shall describe briefly the deficiency as noted by the County Health Officer and shall specify what steps must be taken to achieve conformity with health regulations. In the event the deficiency described in the notice is not remedied within the period set forth above, the structures affected by or served by such sewage system shall be deemed unfit for human habitation and shall be vacated until such deficiency is remedied and a certificate of approval is filed with the Superintendent.

(2) *Water supply facilities—(i) Construction of new facilities.* Domestic water supply facilities for the use of two (2) or more families or for use of the general public may not be constructed, installed, or reconstructed on the privately owned land within Yosemite National Park unless the plans for such facilities are consistent with the requirements of State and county health laws and ordinances which would be applicable if such water supply facilities were located on privately

owned lands outside of the park. Facilities for such a new water supply system shall not be constructed or reconstructed without a permit issued by the Superintendent. A permit will be issued only after the receipt by the Superintendent of written notification by the County Health Officer that the plans for the construction or reconstruction of the water supply system are consistent with the requirements of the State and county health laws and ordinances applicable to structures and establishments located outside of the park.

(ii) *Existing systems.* All water supply systems for the use of two (2) or more families or for use by the general public, regardless of size and whether or not constructed and in use prior to the effective date of this regulation, shall be subject to inspection from time to time by the County Health Officer or his duly authorized representative for the purpose of ascertaining whether or not such water supply systems meet the requirements of the State and county health laws and ordinances. In the event any existing system is found by the Health Officer to be substandard and a hazard to health, the person, corporation, or other organization controlling the premises served by such system shall have one (1) year after service of a written notice by the Superintendent to comply with the requirements of the State and county health laws and ordinances. Such notice shall describe briefly the deficiency as noted by the County Health Officer and shall specify what steps must be taken to achieve conformity with health regulations. In the event the deficiency described by the notice is not remedied within the period set forth above, the structures affected by such deficiency shall be considered unfit for human habitation and shall be vacated until such deficiency is remedied and certificate of approval by the County Health Officer is filed with the Superintendent.

(3) *Inspection.* The County Health Officer or his duly authorized representative shall have the right of inspection for the purpose of ascertaining whether domestic water supplies and sewage disposal systems located on privately owned lands within Yosemite National

Park meet State and county health standards. Inspection may be made by the County Health Officer to assure that construction of such systems, and facilities as may be built, rebuilt, or installed complies with approved plans.

(4) Issuance of permits. Permits for the construction or reconstruction of sewage or water supply systems shall be issued without charge by the Superintendent after written notification by the County Health Officer that the plans and specifications for any proposed system are deemed to be in conformity with the requirements of the State and county health laws and ordinances. Any applicant or permittee aggrieved by an action of the Superintendent in refusing or in conditioning a permit for the construction or reconstruction of a sewage disposal or a water supply system may appeal to the Regional Director, National Park Service. Such appeal shall be filed in writing within 20 days after receipt of notice by the applicant or permittee of the action of the Superintendent. A final decision of the Regional Director may be similarly appealed to the Director of the National Park Service within 15 days after receipt of notice by the applicant or permittee of the Regional Director's decision.

(5) Permits. Permit to construct or reconstruct domestic water facilities or a sewage disposal system authorized to be issued by the Superintendent in this paragraph shall contain general regulatory provisions as hereinafter set forth and may include such special conditions as the Superintendent deems necessary. A permit shall be in a form substantially as follows:
