SOURCE: 46 FR 45334, Sept. 11, 1981, unless otherwise noted.

§ 810.1 Purpose and scope.

This subpart contains the regulations of the Advisory Council on Historic Preservation implementing the Freedom of Information Act (5 U.S.C. 552). Procedures for obtaining the records covered by the Act are established in these regulations. Persons seeking information or records of the Council are encouraged to consult first with the staff of the Council before filing a formal request under the Act pursuant to these regulations. The informal exchange of information is encouraged wherever possible.

§ 810.2 Procedure for requesting information.

(a) Requests for information or records not available through informal channels shall be directed to the Administrative Officer, Advisory Council on Historic Preservation, 1522 K Street NW., Washington, DC 20005. All such requests should be clearly marked "FREEDOM OF INFORMATION REQUEST" in order to ensure timely processing. Requests that are not so marked will be honored, but will be deemed not to have been received by the Council, for purposes of computing the response time, until the date on which they are identified by a member of the Council staff as being a request pursuant to the Freedom of Information Act.

(b) Requests should describe the records sought in sufficient detail to allow Council staff to locate them with a reasonable amount of effort. Thus, where possible, specific information, including dates, geographic location of cases, and parties involved, should be supplied.

(c) A request for all records falling within a reasonably specific category shall be regarded as conforming to the statutory requirement that records be reasonably described if the records can be identified by any process that is not unreasonably burdensome or disruptive of Council operations.

(d) If a request is denied on the ground that it does not reasonably describe the records sought, the denial shall specify the reasons why the re-

quest was denied and shall extend to the requester an opportunity to confer with Council staff in order to reformulate the request in sufficient detail to allow the records to be produced.

§ 810.3 Action on requests.

(a) Once a requested record has been identified, the Administrative Officer shall notify the requester of a date and location where the records may be examined or of the fact that copies are available. The notification shall also advise the requester of any applicable fees under § 810.5.

(b) A reply denying a request shall be in writing, signed by the Administrative Officer and shall include:

(1) Reference to the specific exemption under the Act which authorizes the denial of the record, a brief explanation of how the exemption applies to the record requested, and a brief statement of why a discretionary release is not appropriate; and,

(2) A statement that the denial may be appealed under § 810.4 within 30 days by writing to the Executive Director, Advisory Council on Historic Preservation, 1522 K Street NW., Washington, DC 20005.

(c) The requirements of § 810.3 (b)(1) and (2) do not apply to requests denied on the ground that they are not described with reasonable specificity and consequently cannot be identified.

(d) Within 10 working days from receipt of a request, the Administrative Officer shall determine whether to grant or deny the request and shall promptly notify the requester of the decision. In certain unusual circumstances specified below, the time for determinations on requests may be extended up to a total of 10 additional working days. The requester shall be notified in writing of any extension and of the reason for it, as well as of the data on which a determination will be made. Unusual circumstances include:

(1) The need to search for and collect records from field offices or other establishments that are separate from the Washington office of the Council;

(2) The need to search for, collect, and examine a voluminous amount of material which is sought in a request; or,
