Subpart G—Policies and Procedures Relating to Threatened Law Enforcement/Investigative Employees

§301-70.600 What governing policies and procedures must we establish related to threatened law enforcement/investigative employees?

You must establish policies and procedures governing:

(a) When you will pay transportation and subsistence expenses of threatened law enforcement/investigative employees, under part 301-31 of this chapter;

(b) Who will determine the degree and seriousness of threat in each individual case;

(c) Who will determine what protective action should be taken, including the location and duration of temporary lodging;

(d) Who will reevaluate the situation to determine whether protective action should be continued or discontinued and how often;

(e) What procedures must be followed to obtain authorization of transportation and subsistence expenses for threatened law enforcement/investigative employees; and

(f) What special procedures must an employee follow to claim expenses.

§301-70.601 What factors should we consider in determining whether to authorize payment of transportation and subsistence expenses for threatened law enforcement/investigative employees?

You should consider:

(a) *The degree and seriousness of the threat.* You should pay transportation and subsistence expenses only if a situation poses a legitimate serious threat to life.

(b) *The option of relocating the employee.* You should consider whether relocating the employee permanently would be advantageous given the specific nature of the threat, the continued disruption of the family, and the alternative costs of a change of official station.

§301-70.602 How often must we reevaluate the payment of transportation and subsistence expenses to a threatened law enforcement/investigative employee?

You must reevaluate the situation every 30 days based on the same factors you considered when you first authorized the payment of the expenses.
