Upon completion of the work, all toilet facilities shall be removed by the Contractor.

(End of clause)

3552.236-81 Drinking Water.

As prescribed in 3536.570(s), insert the following clause:

DRINKING WATER (JAN 1990)

Unless otherwise noted, the Contractor shall provide suitable drinking water and sanitary dispensing facilities for the Contractor's employees.

(End of clause)

3552.236-82 Contract Bid Breakdown.

As prescribed in 3536.570(t), insert the following clause:

CONTRACT BID BREAKDOWN (JAN 1990)

The Contractor shall, within 10 days after receipt of the Notice to Proceed, or on receipt of request, submit for approval a breakdown of its bid in a form to be outlined by the Contracting Officer. Supplementary bid breakdowns of all or part of the bid shall be furnished if requested by the Contracting Officer. Payments to the Contractor shall be based upon the information presented in the approved bid breakdown.

(End of clause)

3552.236-83 Descriptive Data and Correspondence.

As prescribed in 3536.570(u), insert the following clause:

DESCRIPTIVE DATA AND CORRESPONDENCE (JAN 1990)

(a) All catalogs, operating instructions, descriptive literature, references, specifications, drawings and notes relevant to the equipment furnished under the specifications, and correspondence shall be in the English language. All drawings shall be prepared in accordance with American Standard Drafting Room Practice as approved by the American National Standard Institute (ANSI) standards and in accordance with the following:

- (1) All dimensions shall be given in feet and inches.
- (2) All weights shall be avoirdupois scales.
- (3) All volume measurements shall be in cubic feet, cubic inches or U.S. gallons (231 cu. in/gal).
- (4) All heat quantities shall be in British thermal units (Btu's).
- (5) All instruments shall read in units of the English system, except gallons shall be U.S. gallons as noted in paragraph (a)(3) of this clause.

(b) When required by the various sections of these specifications or when requested by the Contracting Officer, seven (7) copies (unless otherwise specified) of the following items shall be submitted by the Contractor to the Contracting Officer for approval.

(1) *Material Lists:* Before any materials, fixtures or equipment are purchased, the Contractor shall submit a complete list of materials, fixtures and equipment to be incorporated in the work, together with the names and addresses of the manufacturers and their catalog numbers and trade names. A separate complete list shall be furnished for the equipment called for under each section of the specifications. No consideration will be given to partial lists submitted from time to time.

(2) *Descriptive Data:* In order to establish quality or suitability of materials, fixtures and equipment, the Contractor shall furnish detailed information and descriptive data for the various items. Approval of items will be based on manufacturer's published ratings. Any items which are not in accordance with the specifications will be rejected. The product of any reputable manufacturer regularly engaged in the commercial production of specified equipment will not be excluded on the basis of minor differences, provided all essential requirements of this specification relative to materials, capacity, and performance are met.

(3) *Samples:* (i) The Contractor shall submit all samples within a reasonable time before use to permit inspection and testing. Samples of materials subject to laboratory tests require, generally, a minimum of 20 days for tests after receipt of sample by the Contracting Officer. However, considerably more time may be required depending on the nature of the tests and the ability of the laboratory to take care of current testing requirements.

(ii) Samples of the sizes and numbers required by the Contracting Officer or specified in the contract shall be submitted (except when this requirement is waived by the Contracting Officer) with label on each, giving contract number, specification paragraph, name and materials, trade name, name of manufacturer, place of origin, name and location of building on which to be used, and name of Contractor submitting same.

(iii) Samples shall be so packed as to ensure delivery at destination in good condition and with all transportation charges prepaid by sender.

(iv) Samples of materials not subject to destructive tests, when approved, will be kept on file in the office of the Contracting Officer until the completion of the work, except samples of hardware or other items approved by the Contracting Officer, which may be suitably marked for identification and installed in the work. If the Contractor desires an approved sample for the Contractor's own
