finality of a decision or suspend its operation.

6101.34 Harmless error [Rule 134].

No error in the admission or exclusion of evidence, and no error or defect in any ruling, order, or decision of the Board, and no other error in anything done or omitted to be done by the Board will be a ground for granting a new hearing or for vacating, reconsidering, modifying, or otherwise disturbing a decision or order of the Board unless refusal to act upon such error will prejudice a party or work a substantial injustice. At every stage of the proceedings the Board will disregard any error or defect that does not affect the substantial rights of the parties.

6101.35 Award of costs [Rule 135].

(a) *Applications for costs.* An appropriate party in a proceeding before the Board may apply for an award of costs, including if applicable an award of attorney fees, under the Equal Access to Justice Act, 5 U.S.C. 504, or any other provision that may entitle that party to such an award, subsequent to the Board's decision in the proceeding. For purposes of this section, "decision" includes orders of dismissal resulting from settlement agreements that bring to an end the proceedings before the Board.

(b) *Time for filing.* A party seeking an award may submit an application no later than 30 calendar days after a final disposition in the underlying appeal. In the case of an appeal that is adjudicated, the Board's decision becomes final (for purposes of this section) when it is not appealed to the United States Court of Appeals for the Federal Circuit within the time permitted for appeal or, if the decision is appealed, when the time for petitioning the Supreme Court for certiorari has expired. In the case of an appeal that is resolved as a result of settlement, the Board's disposition becomes final (for purposes of this section) after receipt by the applicant of the order granting or dismissing the appeal.

(c) *Application requirements.* An application for costs shall:

(1) Identify the applicant and the appeal for which costs are sought, and the amount being sought;

(2) Establish that all applicable prerequisites for an award have been satisfied, including a succinct statement of why the applicant is eligible for an award of costs;

(3) Be accompanied by an exhibit fully documenting any fees or expenses being sought, including the cost of any study, analysis, engineering report, test, project, or similar matter. The date and a description of all services rendered or costs incurred shall be submitted for each profession firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the particular services performed by specific date, the rate at which each fee has been computed, any expenses for which reimbursement is sought, and the total amount paid or payable by the applicant on account of the sought-after costs. Except in exceptional circumstances, all exhibits supporting applications for fees or expenses sought shall be publicly available. The Board may require the applicant to provide vouchers, receipts, or other substantiation for any costs claimed and/or to submit to an audit by the Government of the claimed costs;

(4) Be signed by the applicant or an authorized officer, employee, or attorney of the applicant;

(5) Contain or be accompanied by a written verification under oath or affirmation, or declaration under penalty of perjury, that the information provided in the application is true and correct;

(6) If the applicant asserts that it is a qualifying small business concern, contain evidence thereof; and

(7) If the application requests reimbursement of attorney fees that exceed the statutory rate, explain why an increase in the cost of living or a special factor, such as the limited availability of qualified attorneys for the proceedings involved, justifies such fees.

(d) *Proceedings.* (1) Within 30 calendar days after receipt by the respondent of an application under this section, the respondent may file an answer. The answer shall explain in detail any objects to the award requested and set out the legal and factual bases supporting the
