time of entry, this fact should be clearly stated in writing at the time of entry, and suspension of liquidation may be requested by the importer or his agent pending the furnishing of actual cost data. Actual cost data must be submitted as soon as accounting procedures permit. To insure that information used for Customs purposes is reasonably current, the importer shall ordinarily be required to furnish updated cost and assembly data at least every six months, regardless of whether he considers that significant changes have occurred. The 6-month period for the submission of updated cost or other data may be extended by the port director if such extension is appropriate for the type of merchandise involved, or because of the accounting period normally used in the trade, or because of other relevant circumstances.

§ 10.24 Documentation.

(a) *Documents required.* The following documents shall be filed in connection with the entry of assembled articles claimed to be subject to the exemption under subheading 9802.00.80, Harmonized Tariff Schedule of the United States (HTSUS) (19 U.S.C. 1202).

(1) *Declaration by the assembler.* A declaration by the person who performed the assembly operations abroad shall be filed in substantially the following form:

I, _____, declare that to the best of my knowledge and belief the _____ were assembled in whole or in part from fabricated components listed and described below, which are products of the United States:

Marks of identification, numbers	Description of component	Quantity	Unit value at time and place of export from United States	Port and date of export from United States	Name and address of manufacturer
----------------------------------	--------------------------	----------	---	--	----------------------------------

¹In accordance with U.S. Note 4 to Subchapter II of Chapter 98, Harmonized Tariff Schedule of the United States (19 U.S.C. 1202).

Description of the operations performed abroad on the exported components (in sufficient detail to enable Customs officers to determine whether the operations performed are within the preview of subheading 9802.00.80, Harmonized Tariff Schedule of the United States (19 U.S.C. 1202) (attach supplemental sheet if more space is required)):

Date	Signature	Address	Capacity
------	-----------	---------	----------

(2) *Endorsement by the importer.* An endorsement, in substantially the following form, shall be signed by the importer:

I declare that to the best of my knowledge and belief the (above), (attached) declaration, and any other information submitted herewith, or otherwise supplied or referred to, is correct in every respect and there has been compliance with all pertinent legal notes to the Harmonized Tariff Schedule of the United States (19 U.S.C. 1202).

Date	Signature
------	-----------

(b) *Revision of format.* In specific cases, the port director may revise the format of either of the documents specified in paragraph (a) of this section and may make such changes as conditions warrant, provided the data and information required to be supplied in these documents are presented. For example, if the components were furnished by the importer, the information on components may be supplied as part of the importer's endorsement, rather than as part of the assembler's declaration.

(c) *Reference to previously filed documents.* In lieu of filing duplicate lists of
