Subpart B—Application To Establish a CES

§ 118.11 Contents of application.

Each application to operate a CES shall consist of the following information, any application not providing all of the specified information will not be considered, and the responses to paragraphs (b), (c), (d), (g) and (h) of this section shall constitute the criteria used to judge the application:

(a) The name and address of the facility to be operated as the CES, the names of all principals or corporate officers, and the name and telephone number of an individual to be contacted for further information;

(b) A description of the CES's accessibility within the port or other location, and a floor plan of the facility actually dedicated to the CES operation showing bay doors, office space, exterior features, security features, and staging and work space. Where a significant capital expenditure would be required in order for an existing facility to meet security or other physical or equipment requirements necessary for the CES operation, the applicant may request in the application time to conform the facility to such requirements. The agreement referred to in § 118.3 of this part shall not be executed, in any event, until the facility is conformed to meet the requirements;

(c) A schedule of fees clearly showing what the applicant will charge for each type of service. Subject to any special costs incurred by the applicant such as facility modifications to meet specific cargo handling or storage requirements or to meet Customs security standards, the fees set forth in the schedule shall be comparable to fees charged for similar services in the area to be served by the CES;

(d) A detailed list of equipment showing that the applicant can make a diverse variety of cargo available for examination in an efficient and timely manner;

(e) A copy of an approved custodial bond on Customs Form 301. If the applicant does not possess such a bond, a completed Customs Form 301 must be

included with the application for approval as a prerequisite to selection;

(f) A list of all employees involved in the CES operation setting forth their names, dates of birth, and social security numbers. (Providing social security numbers is voluntary; however, failure to provide the number may hinder the investigation process.);

(g) Any information showing the applicant's experience in international cargo operations and knowledge of Customs procedures and regulations; and

(h) Any other information to address any local criteria that the port director considers essential to the selection process based on port conditions.

§ 118.12 Action on application.

Following submission of all applications in accordance with §§ 118.2 and 118.11 of this part, the port director will advise the public of the applications received and invite comments thereon under the public notice and comment procedures set forth in § 118.2; with regard to each application, the notice will set forth the name of the applicant, the address of the facility proposed to be operated as the CES, the proposed fee schedule, the list of equipment at the facility, and the number of employees to be involved in the CES operation. The port director, based on a review of all applications under the criteria set forth in § 118.11 and any public comments submitted under § 118.2 or this section, shall determine whether a CES operator should be selected and, if a CES operator is to be selected, shall select the applicant that will best meet the examination needs of Customs and facilitate the movement of merchandise.

The applicant selected to operate a CES will be notified in writing by the port director of his tentative selection. The selection shall become final upon execution of the written agreement between Customs and the applicant under § 118.3 of this part, and the port director

will advise the public of the final selection and of the date on which the CES will commence operation under the agreement in accordance with the notice procedures set forth in §118.2 of this part. Each applicant not selected to be a CES operator will be so notified in writing and with a statement of the reason of nonselection.

Subpart C—Termination of a CES

§ 118.21 Temporary suspension; permanent revocation of selection and cancellation of agreement to operate a CES.

The port director may immediately suspend or propose permanent revocation and cancellation of CES operations for cause as provided in this section.

(a) *Immediate suspension.* The port director may immediately suspend, for a temporary period of time or until revocation and cancellation proceedings are concluded pursuant to §118.23, a CES operator's or entity's selection and the written agreement to operate the CES if:

(1) The selection and written agreement were obtained through fraud or the misstatement of a material fact; or

(2) The CES operator or an officer of a corporation which is a CES operator or a person the port director determines is exercising substantial ownership or control over such operator or officer is indicted for, convicted of, or has committed acts, which would constitute a felony, or a misdemeanor involving theft or a theft-connected crime. In the absence of an indictment or conviction, the port director must have probable cause to believe the proscribed acts occurred.

(b) *Proposed revocation and cancellation.* The port director may propose to revoke the selection as operator and cancel the agreement to operate a CES if:

(1) The CES operator refuses or otherwise fails to follow any proper order of a Customs officer or any Customs order, rule, or regulation relative to the operation of a CES, or fails to operate in accordance with the terms of his agreement or to comply with any of the provisions of §118.4 of this part;

(2) The CES operator fails to retain merchandise which has been designated for examination;

(3) The CES operator does not provide secure facilities or properly safeguard merchandise within the CES;

(4) The CES operator fails to furnish a current list of names, addresses and other information required by §118.4 of this part; or

(5) The custodial bond required by §118.4 of this part is determined to be insufficient in amount or lacking sufficient sureties, and a satisfactory new bond with good and sufficient sureties is not furnished within a reasonable time.

(6) The CES operator or an officer of a corporation which is a CES operator or a person the port director determines is exercising substantial ownership or control over such operator or officer is indicted for, convicted of, or has committed acts, which would constitute any of the offenses listed under paragraph (a) of this section. Where adverse action is initiated by the port director pursuant to paragraph (a) of this section and continued under this paragraph, the suspension of CES activities remains in effect through the appeal procedures provided under §118.23.

(c) *Circumstance of change in employment not a bar to adverse action.* Any change in the employment status of a corporate officer (for example, discharge, resignation, demotion, or promotion) prior to indictment or conviction or after committing any acts which would constitute the culpable behavior described under paragraph (a) of this section, will not preclude application of this section, but may be taken into account by the port director in exercising discretion to take adverse action. If the person whose employment status changed remains in a substantial ownership, control, or beneficial relationship with the CES operator, this factor will also be considered in exercising discretion under this section.
