

## § 752.7

## 23 CFR Ch. I (4–1–02 Edition)

### § 752.7 Information centers and systems.

(a) The State may establish at existing or new safety rest areas information centers for the purpose of providing specific information to the motorist as to services, as to places of interest within the State and such other information as the State may consider desirable.

(b) The State may construct and operate the facilities, may construct and lease the operation of information facilities, or may lease the construction and operation of information facilities.

(c) Where the information center or system includes an enclosed building, the identification of the operator and all advertising must be restricted to the interior of the building. Where a facility is in the nature of a bulletin board or partial enclosure, none of the advertising, including the trade name, logo, or symbol of the operator shall be legible from the main traveled way.

(d) Subject to FHWA approval, States may establish or permit information systems within the right-of-way of federally funded highways which provide information of specific interest to the traveling public which do not visually intrude upon the main-traveled way of the highway in a manner violating 23 U.S.C. 131 and other applicable local, State, and Federal laws, rules, and regulations.

### § 752.8 Privately operated information centers and systems.

(a) Subject to the FHWA Regional Administrator's approval of the lease or agreement, the State may permit privately operated information centers and systems which conform with the standards of this directive.

(b) There shall be no violation of control of access, and no adverse effect on traffic in the main traveled way.

(c) The agreement between the State and the private operator shall provide that:

(1) The State shall have title to the information center or system upon completion of construction or termination of the lease.

(2) Advertising must be limited to matters relating to and of interest to the traveling public.

(3) Equal access must be provided at reasonable rates to all advertisers considered qualified by the State.

(4) Forty percent or more of all display areas and audible communications shall be devoted free of charge to providing information to the traveling public and public service announcements.

(5) No charge to the public may be made for goods or services except telephone and articles dispensed by vending machines.

(6) Nondiscrimination provisions must be included in accordance with the State assurance with regard to 42 U.S.C. 2000d–2000d-5 (Civil Rights Act of 1964). The private operator may not permit advertising from advertisers who do not provide their services without regard to race, color, or national origin.

(7) The center or system shall be adequately maintained and kept clean and sanitary.

(8) The State may promulgate reasonable rules and regulations on the conduct of the information center or system in the interests of the public.

(9) The State may terminate the lease or agreement for violation of its terms or for other cause.

[43 FR 19390, May 5, 1978, as amended at 48 FR 38611, Aug. 25, 1983]

### § 752.9 Scenic lands.

(a) Acquisition of interests in and improvement of strips of land or water areas adjacent to Federal-aid highways may be made as necessary for restoration, preservation, and enhancement of scenic beauty.

(b) Scenic strip interests may be acquired in urban or rural areas, combined in one or more projects, authorized separately whether or not there is or has been a Federal-aid project on the adjoining Federal-aid highway.

(c) Approval of acquisition and development of scenic strips on completed Interstate should be conditioned on a showing that the acquisition of scenic strips was considered under the Highway Beautification Program for that particular section of Interstate.

### § 752.10 Abandoned vehicles.

(a) Abandoned motor vehicles may be removed from the right-of-way and
