(4) For the determination of the gross estate situated in the United States, see §§ 20.2103-1 and 20.2104-1.

(c) A transfer certificate will be issued by the service center director or the district director when he is satisfied that the tax imposed upon the estate, if any, has been fully discharged or provided for. The tax will be considered fully discharged for purposes of the issuance of a transfer certificate only when investigation has been completed and payment of the tax, including any deficiency finally determined, has been made. If the tax liability has not been fully discharged, transfer certificates may be issued permitting the transfer of particular items of property without liability upon the filing with the district director of such security as he may require. No transfer certificate is required in an estate of a resident decedent. Further, in the case of an estate of a nonresident decedent (regardless of citizenship) a transfer certificate is not required with respect to property which is being administered by an executor or administrator appointed, qualified, and acting within the United States.
