

(b) *Federal Unemployment Tax Act.* The district director or director of a service center may, upon application of the employer, grant a reasonable extension of time (not to exceed 90 days) in which to file any return required in respect of the Federal Unemployment Tax Act. Any application for an extension of time for filing the return shall be in writing, properly signed by the employer or his duly authorized agent. Except as provided in paragraph (b) of § 301.6091-1 (relating to hand-carried documents), each application shall be addressed to the internal revenue officer with whom the employer will file the return. Each application shall contain a full recital of the reasons for requesting the extension, to aid such officer in determining the period of the extension, if any, which will be granted. Such a request in the form of a letter to such internal revenue officer will suffice as an application. The application shall be filed on or before the due date prescribed in paragraph (c) of § 31.6071(a)-1 for filing the return, or on or before the date prescribed for filing the return in any prior extension granted. An extension of time for filing a return does not operate to extend the time for payment of the tax or any part thereof.

(c) *Duly authorized agent.* In any case in which an employer is unable, by reason of illness, absence, or other good cause, to sign a request for an extension, any person standing in close personal or business relationship to the employer may sign the request on his behalf, and shall be considered as a duly authorized agent for this purpose, provided the request sets forth the reasons for a signature other than the employer's and the relationship existing between the employer and the signer.
