proportionate share of the amount allowed for major party candidates under 11 CFR 9004.1. The amount to which a minor or new party candidate is entitled shall bear the same ratio to the amount received by the major party candidates as the number of popular votes received by the minor or new party candidate in the Presidential election bears to the average number of popular votes received by the major party candidates for President in that election.

(b) *Amount of entitlement.* The aggregate payments to which an eligible candidate shall be entitled shall not exceed an amount equal to the lower of:

(1) The amount of qualified campaign expenses incurred by such eligible candidate and his or her authorized committee(s), reduced by the amount of contributions which are received to defray qualified campaign expenses by such eligible candidate and such committee(s); or

(2) The aggregate payments to which the eligible candidates of a major party are entitled under 11 CFR 9004.1, reduced by the amount of contributions received by such eligible candidates and their authorized committees to defray qualified campaign expenses in the case of a deficiency in the Fund.

(c) *Amount of entitlement limited by pre-election payment.* If an eligible candidate is entitled to payment under 11 CFR 9004.2, the amount allowable to that candidate under this section shall also be limited to the amount, if any, by which the entitlement under 11 CFR 9004.3(a) exceeds the amount of the entitlement under 11 CFR 9004.2.

§ 9004.4 Use of payments.

(a) *Qualified campaign expenses.* An eligible candidate shall use payments received under 11 CFR part 9005 only for the following purposes:

(1) To defray qualified campaign expenses;

(2) To repay loans that meet the requirements of 11 CFR 100.7 (a)(1) or (b)(11) or to otherwise restore funds (other than contributions received pursuant to 11 CFR 9003.3 (b) or (c) and expended to defray qualified campaign expenses) used to defray qualified campaign expenses;

(3) To restore funds expended in accordance with 11 CFR 9003.4 for qualified campaign expenses incurred by the candidate prior to the beginning of the expenditure report period.

(4) *Winding down costs.* The following costs shall be considered qualified campaign expenses:

(ii) Costs associated with the candidate's general election campaign and incurred by the candidate prior to the end of the expenditure report period for which written arrangement or commitment was made on or before the close of the expenditure report period.

(5) *Gifts and monetary bonuses.* Gifts and monetary bonuses shall be considered qualified campaign expenses, provided that:

(i) Gifts for committee employees, consultants and volunteers in recognition for campaign-related activities or services do not exceed \$150 total per individual and the total of all gifts does not exceed \$20,000; and

(ii) All monetary bonuses for committee employees and consultants in recognition for campaign-related activities or services;

The Commission will calculate the amount of expenditures attributable to these limitations using the full amounts originally charged for goods and services rendered to the committee and not the amounts for which such obligations were later settled and paid, unless the committee

can demonstrate that the lower amount paid reflects a reasonable settlement of a bona fide dispute with the creditor.

(3) *Expenditures incurred after the close of the expenditure report period.* Any expenditures incurred after the close of the expenditure report period, as defined in 11 CFR 9002.12, are not qualified campaign expenses except to the extent permitted under 11 CFR 9004.4(a)(4).

(4) *Civil or criminal penalties.* Civil or criminal penalties paid pursuant to the Federal Election Campaign Act are not qualified campaign expenses and cannot be defrayed from payments received under 11 CFR part 9005. Penalties may be paid from contributions in the candidate's legal and accounting compliance fund, in accordance with 11 CFR 9003.3(a)(2)(i)(C). Additional amounts may be received and expended to pay such penalties, if necessary. These funds shall not be considered contributions or expenditures but all amounts so received shall be subject to the prohibitions of the Act. Amounts received and expended under this section shall be reported in accordance with 11 CFR part 104.

(5) *Solicitation expenses.* Any expenses incurred by a major party candidate to solicit contributions to a legal and accounting compliance fund established pursuant to 11 CFR 9003.3(a) are not qualified campaign expenses and cannot be defrayed from payments received under 11 CFR part 9005.

(7) *Payments to other authorized committees.* Payments, including transfers, contributions and loans, to other committees authorized by the same candidate for a different election are not qualified campaign expenses.

(8) *Lost, misplaced, or stolen items.* The cost of lost, misplaced, or stolen items may be considered a nonqualified campaign expense.
