

a disability to have a medical certificate as a condition for being provided transportation.

(b)(1) A carrier may require a medical certificate for a qualified individual with a disability—

(i) Who is traveling in a stretcher or incubator;

(ii) Who needs medical oxygen during a flight, as provided in 14 CFR 121.574; or

(iii) Whose medical condition is such that there is reasonable doubt that the individual can complete the flight safely, without requiring extraordinary medical assistance during the flight.

(2) For purposes of this paragraph, a medical certificate is a written statement from the passenger's physician saying that the passenger is capable of completing a flight safely, without requiring extraordinary medical assistance during the flight.

(c)(1) If a qualified individual with a disability has a communicable disease or infection of the kind described in § 382.51(b), a carrier may require a medical certificate.

(2) For purposes of this paragraph, a medical certificate is a written statement from the passenger's physician saying that the disease or infection would not, under the present conditions in the particular passenger's case, be communicable to other persons during the normal course of a flight. The medical certificate shall state any conditions or precautions that would have to be observed to prevent the transmission of the disease or infection to other persons in the normal course of a flight. It shall be dated within ten days of the date of the flight for which it is presented.

§ 382.55 Miscellaneous provisions.

(a) Carriers shall permit dogs and other service animals used by individuals with a disability to accompany the persons on a flight.

(1) Carriers shall accept as evidence that an animal is a service animal identification cards, other written documentation, presence of harnesses or markings on harnesses, tags, or the credible verbal assurances of the qualified individual with a disability using the animal.

(2) Carriers shall permit a service animal to accompany a qualified individual with a disability in any seat in which the person sits, unless the animal obstructs an aisle or other area that must remain unobstructed in order to facilitate an emergency evacuation.

(3) In the event that special information concerning the transportation of animals outside the continental United States is either required to be or is provided by the carrier, the information shall be provided to all passengers traveling with animals outside the continental United States with the carrier, including those traveling with service animals.

(b) Carriers shall not require qualified individuals with a disability to sit on blankets.

(c) Carriers shall not restrict the movements of individuals with a disability in terminals or require them to remain in a holding area or other location in order to be provided transportation, to receive assistance, or for other purposes, or otherwise mandate separate treatment for individuals with a disability, except as permitted or required in this part.

§ 382.57 Charges for accommodations prohibited.

Carriers shall not impose charges for providing facilities, equipment, or services that are required by this part to be provided to qualified individuals with a disability.

§ 382.59 [Reserved]

Subpart D—Administrative Provisions

§ 382.61 Training.

(a) Each carrier which operates aircraft with more than 19 passenger seats shall provide training, meeting the requirements of this paragraph, for all its personnel who deal with the traveling public, as appropriate to the duties of each employee.

(1) The carrier shall ensure training to proficiency concerning:

(i) The requirements of this part and other DOT or FAA regulations affecting the provision of air travel to individuals with a disability; and

§ 382.63

14 CFR Ch. II (1–1–02 Edition)

(ii) The carrier's procedures, consistent with this part, concerning the provision of air travel to individuals with a disability, including the proper and safe operation of any equipment used to accommodate individuals with a disability.

(2) The carrier shall also train such employees with respect to awareness and appropriate responses to individuals with a disability, including persons with physical, sensory, mental, and emotional disabilities, including how to distinguish among the differing abilities of individuals with a disability.

(3) The carrier shall consult with organizations representing persons with disabilities in developing its training program and the policies and procedures concerning which carrier personnel are trained.

(4) The carrier shall ensure that personnel required to receive training shall complete the training by the following times:

(i) For crewmembers subject to training required under 14 CFR part 121 or 135, who are employed on the date the carrier's program is established under § 382.63, as part of their next scheduled recurrent training;

(ii) For other personnel employed on the date the carrier's program is established under § 382.63, within 180 days of that date;

(iii) For crewmembers subject to training requirements under 14 CFR part 121 or 135 whose employment in any given position commences after the date the carrier's program is established under § 382.63, before they assume their duties; and

(iv) For other personnel whose employment in any given position commences after the date the carrier's program is established under § 382.63, within 60 days of the date on which they assume their duties.

(5) Each carrier shall ensure that all personnel required to receive training receive refresher training on the matters covered by this section, as appropriate to the duties of each employee, as needed to maintain proficiency.

(6) Each carrier shall provide, or require its contractors to provide, training to the contractors' employees concerning travel by individuals with a

disability. This training is required only for those contractor employees who deal directly with the traveling public at airports, and it shall be tailored to the employees' functions. Training for contractor employees shall meet the requirements of paragraphs (a)(1) through (a)(5) of this section.

(7) Current employees of each carrier designated as complaints resolution officials, for purposes of § 382.65 of this part, shall receive training concerning the requirements of this part and the duties of a complaints resolution official within 60 days of the effective date of this part. Employees subsequently designated as complaints resolution officers shall receive this training before assuming their duties under § 382.65. All employees performing the complaints resolution official function shall receive annual refresher training concerning their duties and the provisions of this regulation.

(b) Each carrier operating only aircraft with 19 or fewer passenger seats shall provide training for flight crewmembers and appropriate personnel to ensure that they are familiar with the matters listed in paragraphs (a)(1) and (a)(2) of this section and comply with the requirements of this part.

§ 382.63 Carrier programs.

(a)(1) Each carrier that operates aircraft with more than 19 passenger seats shall establish and implement, within 180 days of the effective date of this part, a written program for carrying out the requirements of this part.

(2) Carriers are not excused from compliance with the provisions of this part during the 180 days before carrier programs are required to be established.

(b) The program shall include the following elements:

(1) The carrier's schedule for training its personnel in compliance with § 382.61;

(2) The carrier's policies and procedures for accommodating individuals with a disability consistent with the requirements of this part.

(c)(1) Major and National carriers (as defined in the DOT publication *Air Carrier Traffic Statistics*), and every U.S. carrier that shares the designator code
