Subpart F—Seeking Other Employment

§ 2635.601 Overview.

This subpart contains a disqualification requirement that applies to employees when seeking employment with persons whose financial interests would be directly and predictably affected by particular matters in which the employees participate personally and substantially. Specifically, it addresses the requirement of 18 U.S.C. 208(a) that an employee disqualify himself from participation in any particular matter that will have a direct and predictable effect on the financial interests of a person “with whom he is negotiating or has any arrangement concerning prospective employment.” See §2635.402 and §2640.103 of this chapter. Beyond this statutory requirement, it also addresses the issues of lack of impartiality that require disqualification from particular matters affecting the financial interests of a prospective employer when an employee’s actions in seeking employment fall short of actual employment negotiations.

(2) *Post-employment restrictions.* An employee who is contemplating employment to be undertaken following the termination of his Federal employment should consult an agency ethics official to obtain advice regarding any post-employment restrictions that may be applicable. Regulations implementing the Governmentwide post-employment statute, 18 U.S.C. 207, are contained in parts 2637 and 2641 of this chapter.
