(b) *Fair notice of substantive changes.* No change in the substance of these regulations shall become effective with respect to a Government employee who is adversely affected by such change until and unless such employee remains in a position to which such change is applicable for a period of five months following the first publication of a regulation in final form, reflecting or prescribing such change, or unless such employee accepts such a position after the publication.

**§ 2637.214 Separate statutory agencies: Designations.**

NOTE: Part 2637 provides guidance concerning the prior version of 18 U.S.C. 207 (1988) as it continues to apply to individuals who terminated Government service (or a "Senior" Government position) before January 1, 1991. However, since no former "Senior Employee" who terminated service before that date could any longer be subject to the one-year restriction of section 207(c) of 18 U.S.C. as it existed prior to its amendment by the Ethics Reform Act of 1989, the listing of separate statutory agencies that previously appeared in § 2637.214 has been deleted.
