

order to obtain data comparable to a dominant industry.

§ 532.303 Specialized industry.

(a)(1) Under the appropriated fund wage system, a “specialized industry” is a Federal activity engaged in the production or repair of aircraft, ammunition, artillery and combat vehicles, communication equipment, electronic equipment, guided missiles, heavy duty equipment, shipbuilding, sighting and fire control equipment, or small arms.

(2) Under the nonappropriated fund wage system a “specialized industry” includes only nonappropriated fund operated eating and drinking places. Additional industries may be considered as specialized industries upon approval of the Office of Personnel Management.

§ 532.305 Dominant industry.

(a)(1) A specialized industry is a “dominant industry” if the number of wage employees in the wage area who are subject to the wage schedule for which the survey is made and employed in occupations which comprise the principal types of appropriated or nonappropriated fund positions in the specialized industry comprise:

(i) For appropriated fund activities,

(A) At least 25 percent of the total wage employment or

(B) 1,000 or more employees in a wage area having more than 4,000 wage employees; and

(ii) For nonappropriated fund activities

(A) At least 25 percent of the total wage employment or

(B) 100 or more wage employees in a wage area having 400 or more wage employees.

(2) If two or more specialized industries in a wage area qualify as dominant industries, the two specialized industries having the largest number of wage employees shall be the dominant industries for purposes of applying the requirements of this subpart.

§ 532.307 Determining whether a dominant industry exists in a wage area.

(a) The chairperson of the local wage survey committee shall, before a full-scale wage survey is scheduled to begin, notify all appropriated or non-

appropriated fund activities having employees subject to the wage schedules for which the survey is conducted so that organizations and individuals may submit written recommendations and supporting evidence to the local wage survey committee concerning principal types of appropriated or nonappropriated fund positions in the area. Each appropriated or nonappropriated fund activity shall publicize the opportunity to make such recommendations.

(b)(1) Before conducting a full-scale wage survey an occupational inventory of employees subject to the wage schedules for which the survey is conducted shall be obtained from each appropriated or nonappropriated fund activity in the area having such employees.

(2) After reviewing the occupational inventory and considering the recommendations received pursuant to paragraph (a) of this section, the local wage survey committee shall formulate its recommendations and prepare a written report concerning the existence of specialized industries within the wage area.

(3) The report of the recommendations, the occupational inventory, and the recommendations and supporting evidence received pursuant to paragraph (a) of this section shall be forwarded to the lead agency.

(c) The lead agency shall refer the occupational inventory and the reports received pursuant to paragraph (b) of this section to the agency wage committee for its consideration and recommendation if:

(1) The lead agency proposes not to accept the recommendation of the local wage survey committee concerning the specifications of the local wage survey; or

(2) The local wage survey committee’s report is accompanied by a minority report.

(d) The lead agency shall determine, in writing, after taking into consideration the reports and recommendations received under paragraphs (b) and (c) of this section, and prior to ordering a full-scale wage survey to begin, whether the principal types of appropriated or nonappropriated fund positions in a local wage area comprise a dominant
