such funds as are determined to be appropriate in accordance with part 276 of this chapter.

(b)(1) The Food Stamp Act authorizes the Secretary to pay each State agency an amount equal to 50 percent of all administrative costs involved in each State agency's operation of the program. The Act further authorizes the Secretary to increase the percentage share if:

(i) The State agency's payment error rate is less than or equal to 5.90 percent, and

(ii) The State agency's negative case error rate is less than the national weighted mean negative case error rate for the prior fiscal year.

(2) If a State agency qualifies for an increased percentage share, the amount of increase will be an additional percentage point for each full tenth of a percentage point by which the payment error rate is less than six percent, up to a maximum of 60 percent of administrative costs. Those State agencies not receiving the increased share of funding shall develop and implement corrective action plans to reduce payment errors. Corrective action shall be completed as required in subpart E of this section.

(a) *Establishment of the performance reporting system.* (1) The State agency shall establish a continuing performance reporting system to monitor program administration and program operations. The method for establishing each component of the system is identified and explained in subparts B through F of this part. The components of the State agency's performance reporting system shall be:

(2) The State agency must ensure corrective action is effected at the State and project area levels.

(b) *Staffing standards.* The State agency shall employ sufficient State level staff to perform all aspects of the Performance Reporting System as required in this part of the regulations. To ensure no prior knowledge on the part of QC or ME reviewers, local project area staff shall not be used to conduct QC or ME reviews; exceptions to this requirement concerning local level staff may be granted with prior approval from FNS. However, local personnel shall not, under any circumstances, participate in ME reviews of their own project areas.
