

(1) *Farm yield.* The farm yield for a farm to which a pooled marketing quota is transferred shall be determined in accordance with instructions issued by the Deputy Administrator.

(2) *Undermarketings or overmarketings.* The undermarketings of a farm acquired by eminent domain shall be added to the marketing quota for the receiving farm and the overmarketings of the acquired farm shall be subtracted from the marketing quota of the receiving farm.

(3) *Undermarketings while in eminent domain pool.* The pooled quota is considered planted while in the pool. Therefore, for the purpose of determining undermarketings during the time the quota is pooled, the effective quota is considered to be zero.

**§ 723.212 Time for making reduction of farm marketing quotas or acreage allotments for violation of the marketing quota or acreage allotment regulations for a prior marketing year.**

Any reduction made in a farm acreage allotment or farm marketing quota for the current year for any of the reasons provided for in § 723.408 of this part, shall be made no later than April 1 of the current year in the States of Alabama, Florida, Georgia, North Carolina, South Carolina, and Virginia; or May 1 in all other States. If the reduction cannot be made by such dates for the current year, the reduction shall be made in the farm acreage allotment or farm marketing quota next established for the farm, but no later than by corresponding dates in a later year. No reduction shall be made in the farm acreage allotment or farm marketing quota for any farm for a violation if the farm acreage allotment or marketing quota for such farm for any prior year was reduced because of the same violation.

**§ 723.213 Approval of acreage allotments and marketing quotas and notices to farm operators.**

(a) *Review by State FSA committee.* All farm yields, acreage allotments, and marketing quotas shall be determined by the county FSA committee of the county in which the farm is located and shall be reviewed by a representative of the State FSA committee.

(b) *Notice to farm operator.* An official notice of the effective farm acreage allotment or farm marketing quota shall be mailed to the operator of each farm shown by the records of the county FSA committee to be entitled to an allotment or quota. The notice to the operator of the farm shall constitute notice to all persons who as operator, landlord, tenant, or sharecropper are interested in the farm for which the allotment or quota is established. Insofar as practicable, all notices shall be mailed in time to be received prior to the date of any tobacco marketing quota or acreage allotment referendum. A copy of such notice containing the date of mailing or a print-out summary of such data shall be maintained for not less than 30 days in a conspicuous place in the county FSA office and shall thereafter be kept available for public inspection in the office of the county FSA committee. A copy of the notice of acreage allotment or marketing quota certified as true and correct shall be furnished to any person interested in the farm for which the allotment or quota is established.

(c) *Marketing quota erroneous notice.*  
 (1) If the official written notice of the farm acreage allotment and marketing quota issued for any farm erroneously stated an acreage allotment or marketing quota larger than the correct effective farm acreage allotment or marketing quota, the acreage allotment or marketing quota shown on the erroneous notice shall be deemed to be the tobacco acreage allotment or marketing quota for the farm for the current year only, if the county FSA committee determines (with the approval of the State Executive Director) that the:

(i) Error was not so gross as to place the operator on notice thereof, and

(ii) Operator, relying upon such notice and acting in good faith, materially changes the operator's position with respect to the production of the crop.

(2) Undermarketings and overmarketings for farms for which the erroneous notice of marketing quota is applied shall be determined based on the correct effective farm marketing quota.
