§ 735.29 Warehouse charges.

A licensed warehouseman shall not make any unreasonable, exorbitant, or discriminatory charge for services rendered. Before a license to conduct a warehouse is granted under the act, the warehousemen shall file with the Department a copy of his rules, if any, and a schedule of the charges to be made by him if licensed. Effective at the beginning of any cotton season, a licensed warehouseman may change his rate of charges for storage and other services, and the new rates may apply to all cotton then in storage as well as cotton received thereafter. At or before the beginning of each season every licensed warehouseman shall file with the Department a copy of his rules, if any, and of his schedule of charges for the ensuing season. Should a licensed warehouseman wish to make changes in his rates to become effective at any time other than at the beginning of a season, he shall file with the Department an amended schedule showing the contemplated changes, accompanied by a statement setting forth the reasons therefor. No increase in the storage rate shown in such an amended schedule shall apply to cotton in storage at the time the changes become effective. A licensed warehouseman may demand payment of all accrued charges at the close of each cotton season. If, upon demand, the owner of the cotton refuses to pay such charges at the end of a season, the warehouseman may take such action to enforce collection of his charges as is permitted by the laws of the State in which the warehouse is located. Each licensed warehouseman

For the purposes of this section the cotton season shall commence, with respect to each warehouse, at such time not later than September 1 of each year, as the operator of the warehouse shall select, and he shall notify the Department in writing not less than five days next preceding the date selected.

The warehouseman shall keep conspicuously posted on the door of the public entrance to his office and to his warehouse a notice showing the hours during which the warehouse will be kept open, except when such warehouse is kept open continuously from 8 a.m. to 6 p.m.

(b) In case the warehouse is not to be kept open as required by paragraph (a) of this section, the notice posted as prescribed in that paragraph shall state the period during which the warehouse is to be closed and the name of an accessible person, with the address where he is to be found, who shall be authorized to deliver cotton stored in such warehouse, upon lawful demand by the depositor thereof or the holder of the receipt therefor, as the case may be.
