(b) In case the warehouse is not to be kept open as required by paragraph (a) of this section, the notice posted as prescribed in that paragraph shall state the period during which the warehouse is to be closed and the name of an accessible person, with the address where he may be found, who shall be authorized to deliver tobacco stored in such warehouse, upon lawful demand and proper compliance with the regulations in this part.

§ 737.35 Care of stock and equipment.

Each warehouseman shall at all times, including any period of suspension of his license, exercise such care in regard to tobacco in his custody as a reasonably careful owner would exercise under the same circumstances and conditions. (b) That said tobacco so removed shall be fully covered by insurance against loss by fire, lightning, tornado, or theft both while in transit to and from the licensed warehouse or licensed compartment shown in the outstanding receipt and while in the warehouse in which it is being sampled and inspected.
