§ 739.31 Warehouse charges.

A warehouseman shall not make any unreasonable or exorbitant charge for services rendered. Before a license to conduct a warehouse is granted under the act, the warehouseman shall file with the Service a dated copy of his rules and schedule of charges to be made by him if licensed. Before making any change in such rules or schedule of charges he shall file with the Service a statement in writing showing the proposed change and the reasons therefor. Each warehouseman shall keep exposed conspicuously in the place prescribed by § 739.6, and at such other places, accessible to the public, as the Administrator or his representative may from time to time designate, a copy of his current rules and schedule of charges.

§ 739.32 Business hours.

(a) Each warehouse shall be kept open for the purpose of receiving beans for storage and delivering beans out of storage every business day for a period of not less than six hours between the hours of 8 a.m. and 6 p.m., except as

provided in paragraph(b) of this section. The warehouseman shall keep conspicuously posted on the door of the public entrance to his office and to his warehouse a notice showing the hours during which the warehouse will be kept open, except when such office or warehouse is kept open continuously from 8 a.m. to 6 p.m.

(b) If the warehouse is not to be kept open as above required, the notice shall state the period during which it is to be closed and the name and address of an accessible person authorized to make delivery upon lawful demand and surrender of the receipt.

§ 739.33 Tagging identity-preserved beans.

Each warehouseman shall, upon acceptance for storage of any lot of sacked beans or of bulk beans to be specially binned, attach to such lot or bin an identification tag of good quality, or stencil a sufficient number of sacks in the lot in such manner as will readily make possible the identification of the lot at all times. Such tags shall show the lot number, the number of the receipt issued to cover such beans, the number of sacks in the lot, the variety or type of the beans, their grade, if determined, their net weight when they entered storage, and the date they entered storage.

§ 739.34 Arrangement and tagging of stored beans.

Each warehouseman shall so store each lot of beans for which a receipt under the act has been issued that the tag or stencil identification marks thereon, required in § 739.33, are visible and readily accessible, and shall arrange all bags in his warehouse so as to permit making a determination of the number of bags in storage at any time.

§ 739.35 Nonidentity-preserved beans; grading; weighing.

All beans the identity of which is not to be preserved or has not been preserved shall be accepted for and delivered out of storage only on the basis of grades and weights determined by licensed inspectors and weighers.
