

§ 739.42

make any inspection or examination under this section.

§ 739.42 Weighing apparatus; inspection.

The weighing apparatus used for ascertaining the weight stated in a receipt or certificate shall be subject to examination by an officer or agent of the Department employed for such purpose. If the Service shall disapprove such weighing apparatus, it shall not thereafter, unless such disapproval be withdrawn, be used in ascertaining the weight of any beans for the purposes of the act and the regulations in this part.

§ 739.43 Warehouse to be kept clean.

Each warehouseman shall keep his warehouse clean and free from trash, excessive dirt, rubbish, and scattered beans. He shall also exercise every precaution to keep his warehouse free of rats or other pests that might cause damage or injury to beans in storage. The warehouseman shall not under any circumstances accept for storage in his warehouse beans showing the presence of weevil or the larvae of weevil, nor continue to keep in storage beans so affected, without treating them in such manner as will destroy such weevil and larvae or with such chemicals as may be approved by the Service for that purpose.

§ 739.44 Fumigation of warehouse.

When necessary, in the opinion of the Administrator or his representative, the warehouseman shall fumigate thoroughly his warehouse with chemicals approved by the Service.

§ 739.45 Damp, dirty, frosted beans; no storage.

A warehouseman shall not, under any circumstances, accept for storage any beans with moisture content in excess of 17 percent and which contain foreign material likely to injure the keeping qualities of the beans or adversely affect their commercial value, or that are otherwise of a condition rendering them unsuitable for storage, but he may accept such beans for conditioning purposes and for storage after conditioning.

7 CFR Ch. VII (1-1-02 Edition)

§ 739.46 Care in storage of beans.

A warehouseman shall so handle and so store beans as not to injure or damage them in any manner.

§ 739.47 Reconditioning deteriorated beans.

If the warehouseman considers that any beans in his warehouse are out of condition, or becoming so, he shall direct the licensed inspector to examine the beans in question, and, if such inspector finds such beans to be out of condition or becoming so, and he is of the opinion that such beans can be brought back into condition by mechanical or other means, or that further deterioration can be prevented, the warehouseman shall give immediate notice of the facts to the persons and in the manner specified in § 739.48 (b) and (c). If, within 24 hours after the giving of such notice, the owners of such beans have not otherwise directed as to the disposition of same, such warehouseman, with the approval of the licensed inspector, shall subject the beans to the proper reconditioning process in his licensed warehouse to the extent to which it is equipped with machinery suitable for the purpose, otherwise in any other warehouse so equipped.

§ 739.48 Procedure in handling deteriorated beans.

(a) If a warehouseman, with the approval of the licensed inspector, shall determine that any beans are deteriorating and that such deterioration can not be stopped, he shall give immediate notice thereof in accordance with paragraphs (b) and (c) of this section.

(b) Such notice shall state (1) the name of the warehouse in which the beans are stored, (2) the quantity, kind, and grade of the beans at the time the notice is given, (3) the actual condition of the beans as nearly as can be ascertained, and the reason, if known, for such condition, and (4) the outstanding receipts covering the beans out of condition, giving the number and date of each such receipt and the quantity, the kind and grade of the beans as stated in each such receipt.

(c) A copy of such notice shall be delivered in person or shall be sent by
