

Farm Service Agency, USDA

§ 752.12

§ 752.8 Water bank program agreement.

(a) An agreement shall be executed for each participating farm. The agreement shall be signed by the owner of the designated acreage and any other person who, as landlord, tenant, or share cropper, will share in the payment or has an interest in the designated acreage.

(b) There may be more than one agreement for a farm.

(c) Each agreement shall be signed by a member of the county committee on behalf of the Secretary.

[48 FR 45528, Oct. 6, 1983, as amended at 50 FR 7744, Feb. 26, 1985]

§ 752.9 Agreement period.

(a) The agreement period shall be 10 years. The agreement shall become effective on January 1 of the year in which the agreement is approved except that the agreement shall become effective on January 1 of the next succeeding year in cases where, at the time the agreement is approved, the county committee determines that the agreement signers will be unable to comply with the provisions of § 752.7 relating to the use of designated acreage in the year in which such agreement is approved.

(b) Subject to a modification of payment rates and such other provisions which may be determined to be desirable, agreements may be renewed for additional periods of 10 years each.

§ 752.10 Awarding water bank agreements.

(a) Persons wishing to be considered for an agreement shall file a request with the county committee indicating the acreage which is to be designated under the agreement. In order to be eligible for participation in the program, such persons must agree to designate: (1) 2 or more acres of types 3 through 7 wetlands, and (2) a total of at least 10 acres consisting of types 1 through 7 wetlands or adjacent land, or any combination thereof, identified in a conservation plan developed in cooperation with the Soil and Water Conservation District in which the farm is located. In addition, the Soil Conservation Service (SCS) must certify that

the designated acreage constitutes a viable wetland unit, contains sufficient adjacent land to protect the wetland, and provides essential habitat for the nesting, breeding or feeding of migratory waterfowl. An acreage of less than 10 acres may be designated if the SCS representative recommends acceptance of the acreage and certifies that the area offered for agreement is a good, viable wetland unit and that the acceptance of the acreage would be in accord with the purposes of the program.

(b) Persons desiring to participate in the program may agree to designate any additional amount to types 1 through 7 wetlands and adjacent land. However, the maximum acreage of adjacent land which is designated under the agreement with respect to which payment shall be based cannot exceed four times the total acreage of types 3 through 7 wetlands which is designated under the agreement. This maximum acreage restriction may be waived by the State committee if such waiver would further the program objectives.

(c) Where funds allocated to the county do not permit accepting all requests which are filed, the county committee may limit the approval of requests for agreements in accordance with instructions issued by the Deputy Administrator.

§ 752.11 Responsibility of agreement signers.

(a) The owner of the designated acreage is responsible for compliance with the agreement and for any refunds or deductions for failure to comply fully with the terms of the agreement while a party to such agreement.

(b) Each other person signing the agreement is jointly and severally responsible with the owner for compliance with the agreement and for any refunds or payment reductions which may be required for failure to comply fully with the terms of the agreement while a party to such agreement.

§ 752.12 Provisions relating to tenants and sharecroppers.

(a) No agreement shall be approved if it appears that the owner, landlord, or
