#### § 773.1 Introduction.

This part contains the terms and conditions for loans made under the Special Apple Loan Program. These regulations are applicable to applicants, borrowers, and other parties involved in making, servicing, and liquidating these loans. The program objective is to assist producers of apples suffering from economic loss as a result of low apple prices.

#### § 773.2 Definitions.

As used in this part, the following definitions apply:

*Agency* is the Farm Service Agency, its employees, and any successor agency.

*Apple producer* is a farmer in the United States or its territories that

produced apples, on not less than 10 acres, for sale in 1999 or 2000.

*Applicant* is the individual or business entity applying for the loan.

*Business entity* is a corporation, partnership, joint operation, trust, limited liability company, or cooperative.

*Cash flow budget* is a projection listing all anticipated cash inflows (including all farm income, nonfarm income and all loan advances) and all cash outflows (including all farm and nonfarm debt service and other expenses) to be incurred by the borrower during the period of the budget. A cash flow budget may be completed either for a 12 month period, a typical production cycle or the life of the loan, as appropriate.

*Domestically owned enterprise* is an entity organized in the United States under the law of the state or states in which the entity operates and a majority of the entity is owned by members meeting the citizenship test.

*Feasible plan* is a plan that demonstrates that the loan will be repaid as agreed, as determined by the Agency.

*Security* is real or personal property pledged as collateral to assure repayment of a loan in the event there is a default on the loan.

*USPAP* is Uniform Standards of Professional Appraisal Practice.

#### § 773.3 Appeals.

A loan applicant or borrower may request an appeal or review of an adverse decision made by the Agency in accordance with 7 CFR part 11.

#### §§ 773.4-773.5 [Reserved]

#### § 773.6 Eligibility requirements.

Loan applicants must meet all of the following requirements to be eligible for a Special Apple Program Loan:

(a) The loan applicant must be an apple producer;

(b) The loan applicant must be a citizen of the United States or an alien lawfully admitted to the United States for permanent residence under the Immigration and Nationalization Act. For a business entity applicant, the majority of the business entity must be owned by members meeting the citizenship test or, other entities that are domestically owned. Aliens must provide the appropriate Immigration and Naturalization Service forms to document their permanent residency;

(c) The loan applicant and anyone who will execute the promissory note must possess the legal capacity to enter into contracts, including debt instruments;

(d) At loan closing the loan applicant and anyone who will execute the promissory note must not be delinquent on any Federal debt, other than a debt under the Internal Revenue Code of 1986;
