

with a corrected certificate. When the incorrect certificate cannot be obtained, a corrected certificate can be issued superseding the incorrect one.

(2) *Certification requirements.* The same statements and information, including permissive statements, that were shown on the incorrect certificate, along with the correct statement or information, shall be shown on the corrected certificate. According to this section and the instructions, corrected certificates shall show—

(i) The terms “Corrected Original” and “Corrected Copy;”

(ii) A statement identifying the superseded certificate and the corrections,

(iii) A statement indicating the superseded certificate was not surrendered when the incorrect certificate was not submitted; and

(iv) A new serial number.

In addition, the incorrect certificate shall be marked “Void” when submitted.

(e) *Limitations.* Corrected certificates cannot be issued for a certificate that has been superseded by another certificate or on the basis of a subsequent analysis for quality.

#### § 868.74 Divided-lot certificates.

(a) *General.* When commodities are offered for inspection and are certificated as a single lot, the applicant may exchange the inspection certificate for two or more divided-lot certificates.

(b) *Application.* Requests for divided-lot certificates shall be made—

(1) In writing;

(2) By the applicant who made the initial request;

(3) To the office that issued the outstanding certificate;

(4) Within 5 business days of the outstanding certificate date; and

(5) Before the identity of the commodity has been lost.

(c) *Quantity restrictions.* Divided-lot certificates shall not show an aggregate quantity different than the total quantity shown on the superseded certificate.

(d) *Surrender of certificate.* The certificate that will be superseded shall—

(1) Be in the custody of the cooperator or the Service;

(2) Be marked “Void,” and

(3) Show the identification of the divided-lot certificates.

(e) *Certification requirements.* The same information and statements, including permissive statements, that were shown on the superseded certificate shall be shown on each divided-lot certificate. Divided-lot certificates shall show—

(1) A statement indicating the commodity was inspected as an undivided lot;

(2) The terms “Divided-Lot Original,” and the copies shall show “Divided-Lot Copy;”

(3) The same serial number with numbered suffix (for example, 1764-1, 1764-2, 1764-3, and so forth); and

(4) The quantity specified by the request.

(f) *Issuance and distribution.* Divided-lot certificates shall be issued no later than the close of business on the next business day after the request and be distributed according to § 868.70(b).

(g) *Limitations.* After divided-lot certificates have been issued, further dividing or combining is prohibited except with the approval of the Service.

#### § 868.75 Duplicate certificates.

Upon request, a duplicate certificate may be issued for a lost or destroyed official certificate.

(a) *Application.* Requests for duplicate certificates shall be filed—

(1) In writing;

(2) By the applicant who requested the service covered by the lost or destroyed certificate; and

(3) With the office that issued the initial certificate.

(b) *Certification requirements.* The same information and statements, including permissive statements, that were shown on the lost or destroyed certificate shall be shown on the duplicate certificate. Duplicate certificates shall show: (1) The terms “Duplicate Original,” and the copies shall show “Duplicate Copy” and (2) a statement that the certificate was issued in lieu of a lost or destroyed certificate.

**§ 868.80**

(c) *Issuance.* Duplicate certificates shall be issued as promptly as possible and distributed according to § 868.70(b).

(d) *Limitations.* Duplicate certificates shall not be issued for certificates that have been superseded.

LICENSED INSPECTORS, TECHNICIANS,  
AND SAMPLERS

**§ 868.80 Who may be licensed.**

(a) *Inspectors.* The Administrator may license any person to inspect commodities and to perform related services if the individual—

(1) Is employed by a cooperator, is a contractor, or is employed by a contractor;

(2) Possesses the qualifications prescribed in the instructions; and

(3) Has no interest, financial or otherwise, direct or indirect in merchandising, handling, storing, or processing the kind of commodities or related products to be inspected.

The Administrator may require applicants to be examined for competency at a specific time and place and in a prescribed manner.

(b) *Technicians or samplers.* The Administrator may license any person as a technician to perform official specified laboratory functions, including sampling duties and related services, or as a sampler to draw samples of commodities and perform related services if the individual: (1) Possesses proper qualifications as prescribed in the instructions and (2) has no interest, financial or otherwise direct or indirect in merchandising, handling, storing, or processing the kind of commodities or related products to be chemically analyzed, mechanically tested, sampled, and so forth. The Administrator may require applicants to be examined for competency at a specific time and place and in a prescribed manner.

**§ 868.81 Licensing procedures.**

(a) *Application.* An application for a license, the renewal of a license, or the return of a suspended license shall be submitted to the Service on forms furnished by the Service. Each application shall be in English, be typewritten or legibly written in ink, show all information prescribed by the application form, and be signed by the applicant.

(b) *Examinations and reexaminations.* Applicants for a license and individuals who are licensed to perform any or all inspection services shall, at the discretion of the Service, submit to examinations or reexaminations to determine their competency to perform the inspection functions for which they desire to be or are licensed.

(c) *Termination.* (1) *Procedure.* Each license shall terminate according to the termination date shown on the license and as specified by the schedule in this paragraph. The termination date for a license shall be no less than 3 years or more than 4 years after the issuance date for the initial license; thereafter, every 3 years. Upon request of a licensee and for good cause shown, the termination date may be advanced or delayed by the Administrator for a period not to exceed 60 days.
