

## Office of the Secretary of the Treasury

## § 2.34

(3) An analysis and statement of the known or probable damage to the national security that has resulted or may result.

(4) An assessment of the possible advantage to foreign powers resulting from the compromise.

(5) An assessment of whether,

(i) The classification of the information involved should be continued without change;

(ii) The specific information, or parts thereof, shall be modified to minimize or nullify the effects of the reported compromise and the classification retained;

(iii) Downgrading, declassification, or upgrading is warranted, and if so, confirmation of prompt notification to holders of any change, and

(6) An assessment of whether countermeasures are appropriate and feasible to negate or minimize the effect of the compromise.

(d) *System for Control of Damage Assessments.* Each Treasury bureau and the Departmental Offices shall establish a system of control and internal procedures to ensure that damage assessments are performed in all cases described in § 2.32(a) and that records are maintained in a manner that facilitates their retrieval and use within the Department.

(e) *Cases Involving More Than One Agency.* (1) Whenever a compromise involves the classified information or interests of more than one agency, the Departmental Director of Security shall advise the other affected agencies of the circumstances and findings that affect their information or interests. Whenever a damage assessment, incorporating the product of two or more agencies is needed, the affected agencies shall agree upon the assignment of responsibility for the assessment and Treasury components will provide all data pertinent to the compromise to the agency responsible for conducting the assessment.

(2) Whenever a compromise of United States classified information is the result of actions taken by foreign nationals, by foreign government officials, or by United States nationals in the employ of international organizations, the agency performing the damage assessment shall endeavor to ensure through

appropriate intergovernmental liaison channels, that information pertinent to the assessment is obtained. Whenever more than one agency is responsible for the assessment, those agencies shall coordinate the request prior to transmittal through appropriate channels.

(3) Whenever an action is contemplated against any person believed responsible for the loss or compromise of classified information, damage assessments shall be coordinated with appropriate legal counsel. Whenever a violation of criminal law appears to have occurred and a criminal prosecution is contemplated, coordination shall be made with the Department of Justice.

(4) The designated representative of the Director of Central Intelligence, or other appropriate officials with responsibility for the information involved, will be consulted whenever a compromise of sensitive compartmented information has occurred.

### § 2.33 Responsibilities of holders [4.1(b)].

Any person having access to and possession of classified information is responsible for protecting it from persons not authorized access, i.e., persons who do not possess an appropriate security clearance, and who do not possess the required need-to-know. This includes keeping classified documents under constant observation and turned face-down or covered when not in use and securing such information in approved security equipment or facilities whenever it is not under the direct supervision of authorized persons. In all instances, such protective means must meet accountability requirements prescribed by the Department.

### § 2.34 Inspections [4.1(b)].

Individuals charged with the custody of classified information shall conduct the necessary inspections within their areas to ensure adherence to procedural safeguards prescribed to protect classified information. Security officers shall ensure that periodic inspections are made to determine whether procedural safeguards prescribed by this regulation and any bureau implementing regulation are in effect at all
