§ 205.30

§ 205.29 What are the State oversight and compliance responsibilities?

(a) A State must designate an official representative with the statutory or administrative authority to coordinate all interaction with the Federal government concerning this subpart A, and must notify us in writing of the representative's name and title. A State must notify us immediately of any change in the official representative.

(b) A State must maintain records supporting interest calculations, clearance patterns, Interest Calculation Costs, and other functions directly pertinent to the implementation and administration of this subpart A for audit purposes. A State must retain the records for each fiscal year for three years from the date the State submits its Annual Report, or until any pending dispute or action involving the records and documents is completed, whichever is later. We, the Comptroller General, and the Inspector General or other representative of a Federal Program Agency must have the right of access to, and may require submission of, all records for the purpose of verifying interest calculations, clearance patterns, interest calculation cost claims, and the State's accounting for Federal funds.

(c) A State's implementation of this subpart A is subject to audit in accordance with 31 U.S.C. Chapter 75, "Requirements for Single Audits."

(d) If a State repeatedly or deliberately fails to request funds in accordance with the procedures established for its funding techniques, as set forth in § 205.11, § 205.12, or a Treasury-State agreement, we may deny the State payment or credit for the resulting Federal interest liability, notwithstanding any other provision of this part.

(e) If a State materially fails to comply with this subpart A, we may, in addition to the action described in paragraph (d) of this section, take one or more of the following actions, as appropriate under the circumstances:

(1) Deny the reimbursement of all or a part of the State's interest calculation cost claim;

(2) Send notification of the non-compliance to the affected Federal Pro-

gram Agency for appropriate action, including, where appropriate, a determination regarding the impact of non-compliance on program funding;

(3) Request a Federal Program Agency or the General Accounting Office to conduct an audit of the State to determine interest owed to the Federal government, and to implement procedures to recover such interest;

(4) Initiate a debt collection process to recover claims owed to the United States; or

(5) Take other remedies legally available.

§ 205.30 What are the Federal oversight and compliance responsibilities?

(a) A Federal Program Agency must designate an official representative to coordinate all interaction with us and the States concerning this subpart A, and must notify us in writing of the representative's name and title. A Federal Program Agency must notify us immediately of any change in the official representative.

(b) A Federal Program Agency's implementation of this subpart A is subject to review pursuant to procedural instructions that we issue.

(c) We will consult with Federal agencies as necessary and appropriate before entering into or amending a Treasury-State agreement.

(d) We will distribute Annual Reports to Federal agencies, as set forth in § 205.26. Upon our request, a Federal Program Agency must review a State's Annual Report for reasonableness and must report its findings to us within 30 days.

(e) A Federal Program Agency must notify us in writing if the program agency has knowledge, at any time, that:

(1) A State's clearance pattern does not correspond to a Federal assistance program's clearance activity; or

(2) Corrective action needs to be taken by a State, us, or another Federal Program Agency, with respect to the implementation of this subpart. We will notify the State or Federal Program Agency as appropriate in writing with a description of the Federal Program Agency's assertion.
